Saving Me Heat Wave Series English Edition:

Save Me the Waltz Zelda Fitzgerald, 2013-07-09 *Save Me the Waltz* is the first and only novel by the wife of F Scott Fitzgerald. During the years when Fitzgerald was working on *Tender Is the Night*, Zelda Fitzgerald was preparing her own story which parallels the narrative of her husband, throwing a fascinating light on F Scott Fitzgerald's life and work. In its own right, it is a vivid and moving story, the confessions of a famous, slightly doomed glamour girl of the affluent 1920s which captures the spirit of an era.

Save Me a Place in Heaven Jerry Deriso, 2008-09-17 His father's death prompted him to preserve his family memories for his descendants, but the writing quickly grew into a life essay on farm life, Southern cooking, dogs, small town life in the 1950s, and the demise of our current culture. The book is written in the author's voice and evokes feelings of Sam's Grizzard and Rooney. He believes our culture is being slowly destroyed from within by small dogs, cats, bad barbecue, kudzu, fat-free ice cream, cell phones, e-mail, the Internet, childproof lids, hard plastic security packaging, iPods, video players in automobiles, kids not being raised right, rudeness, fast food, moms who don't cook, high school graduates who can't read, long-winded preachers, the disappearance of real Southern cooking, and the popularity of instant grits, Diet Pepsi, and unsweetened tea. His family's history is a goldmine of great food, quirky characters, outlandish actions, and bodacious behavior; he has mined it shamelessly and offers no apologies.

The Novels of Gloria Naylor Gloria Naylor, 2018-04-17 Three lyrical and unforgettable novels from the National Book Award-winning author of *The Women of Brewster Place*. After winning both the National Book Award and the American Book Award for her now iconic debut novel *The Women of Brewster Place*, which was later made into a TV miniseries starring Oprah Winfrey, Gloria Naylor continued to garner acclaim as one of the most original voices in twentieth-century American literature with novels such as *Mama Day*, *Linden Hills*, and *Bailey's Cafe*. *Mama Day* On Willow Springs, an island off the coast between Georgia and South Carolina, superstition is more potent than any trappings of the modern world. Here the formidable Mama Day uses her powers to heal. But her great-niece Cocoa can't wait to escape to New York City. When Cocoa returns to the island with her husband George, darker forces challenge the couple, and their only hope may be the mystical matriarch. Steeped in the folklore of the South and inspired by Shakespeare, *Mama Day* is one of Naylor's richest and most complex novels. *Providence Journal*: A wonderful novel full of spirit and sass and wisdom and completely realized. *The Washington Post*: *Linden Hills*. For its wealthy African American residents, the exclusive neighborhood of Linden Hills is a symbol of making it. But what happens when the dream of material success turns out to be an empty promise? Using Dante's *Inferno* as a model, Naylor reveals the true cost of success for the lost souls of Linden Hills: a hell of their own making. Every page contains a brilliant insight, a fine description, some petty and human, some grandiloquent. *Chicago Tribune*: *Bailey's Cafe*. This moving and memorable national bestseller is set in post-World War II Brooklyn on a quiet backstreet where Bailey's Cafe serves as a crossroads for a broad range of patrons, a place of limbo for tortured souls before they move on or check out. *Boston Globe*: A virtuoso orchestration of survival, suffering, courage, and
