Thomas,2016-10-07 In schools of antiquity according to Alfred North Whitehead philosophers aspired to impart wisdom In modern colleges our humbler aim is to teach subjects The drop from divine wisdom which was the goal of the ancients to textbook knowledge of subjects which is achieved by the moderns marks an educational failure sustained through the ages He defines wisdom as the way in which knowledge is held The ways in which we hold our knowledge is the subject of these essays It is a subject too little pursued in the corridors of education where the concern today resides with the data rather than the import of the knowledge we pursue The goal of every teacher regardless of the level taught is to think about the knowledge they teach and how it informs and expands the ways in which we live Without this kind of oversight we fall into the mere mechanics of instruction failing to press it beyond the bounds of ordinary thought *The Ultimate Bible Fact and Quiz Book* Martin Manser,2013-05-24

The Ultimate Bible Fact Quiz Book is a new and exciting way to discover the Bible It can be used in community and church groups Sunday School classes family games and devotions or simply for entertaining reading What s unique about this collection of quizzes and facts is its variety Topics covered included include Jesus Christ important Bible characters significant events geography music food love war money gardening animals crime punishment miracles angels dreams the list is virtually endless The quizzes are designed to challenge every age and ability Some questions may seem easy such as In which town was Jesus born or Who was said to be the wisest King in the Bible Others may be a bit more challenging like How old was Joash when he began to reign in Judah or What was the name of King David s third son With over 4 500 facts and questions this book will be sure to test your knowledge and make learning about the Bible fun
