employers and best friends In the midst of social hostility to gay men during the AIDS crisis of the 1980s and 1990s a significant number of gay women volunteered to comfort the afflicted and fight reigning sexual values Famous women such as Elizabeth Taylor and Barbra Streisand threw their support behind a detested minority while countless ordinary women did the same across America Portmann celebrates not only women who made the headlines but also those who did not Looking at the links between the women s liberation and gay rights movements and filled with concrete examples of personal and political relationships between straight women and gay men Women and Gay Men in the Postwar Period is an engaging and accessible study which will be of interest to students and scholars of 20th and 21st century social and gender history Life & TIMES THRU MY EYES? Robert Seybold,2013-10 My name is Bob which I prefer over Robert William Seybold Jr I wrote this book because I wanted my family and friends to know from my mouth that I am gay and was born this way I had no choice in the matter I have had to hide this from the people I love afraid I would lose them once they heard from me personally They probably have been in denial over my life guessing and betting that they were right It was and is my business but I needed to let them know my side of the story All my life I had had to hide the truth with employers family and friends Coworkers included I did not want to be fired or hated Fear is a terrible thing So I tried to make my life something special which I accomplished by writing this book Life and Times through My Eyes *The Castle on Sunset* Shawn Levy,2020-04-28 The definitive and salacious history of the iconic hotel that Hollywood stars have called a home away from home for almost a century Fascinating dishy and glimmering with insight This is the definitive book about Hollywood s most storied hotel Cheryl Strayed bestselling author of Wild Since 1929 Hollywood s brightest stars have flocked to the Chateau Marmont as if it were a second home An apartment building turned hotel the Chateau has been the backdrop for generations of gossip and folklore where director Nicholas Ray slept with his sixteen year old Rebel Without a Cause star Natalie Wood Jim Morrison swung from the balconies John Belushi suffered a fatal overdose and Lindsay Lohan got the boot after racking up nearly 50 000 in charges in less than two months But despite its mythic reputation much of what has happened inside the Chateau s walls has eluded the public eye until now With wit and insight Shawn Levy recounts the wild revelries and scandalous liaisons the creative breakthroughs and marital breakdowns the births and deaths to which the hotel has been a party Vivid salacious and richly informed The Castle on Sunset is a glittering tribute to Hollywood as seen from inside the walls of its most hallowed hotel **Sleeping with Strangers** David Thomson,2020-01-14 In this wholly original work of film criticism David Thomson celebrated author of The Biographical Dictionary of Film probes the many ways in which sexuality has shaped the movies and the ways in which the movies have shaped sexuality Exploring the tangled notions of masculinity femininity beauty and sex that characterize our cinematic imagination and drawing on examples that range from advertising to pornography Bonnie and Clyde to Call Me by Your Name Thomson illuminates how film as art entertainment and business has historically been a polite cover for a kind of erotic s ance In so doing he casts the art and the artists we love in a new

confront the difficult facts of Dean's life it deploys modern insights into sexual diversity to transform our understanding of James Dean's story and the stories of boys and men like him

G-Man (Pulitzer Prize Winner) Beverly Gage, 2022-11-22
Winner of the 2023 Pulitzer Prize in Biography Winner of the 2022 National Book Critics Circle Award in Biography the 2023 Bancroft Prize in American History and Diplomacy and the 43rd LA Times Book Prize in Biography Finalist for the 2023 PEN Jacqueline Bograd Weld Award for Biography Named a Best Book of 2022 by The Atlantic The Washington Post and Smithsonian Magazine and a New York Times Top 100 Notable Books of 2022 Masterful This book is an enduring formidable accomplishment a monument to the power of biography that now becomes the definitive work The Washington Post A nuanced portrait in a league with the best of Ron Chernow and David McCullough The Wall Street Journal A major new biography of J. Edgar Hoover that draws from never before seen sources to create a groundbreaking portrait of a colossus who dominated half a century of American history and planted the seeds for much of today's conservative political landscape We remember him as a bulldog squat frame bulging wide set eyes fearsome jowls but in 1924 when he became director of the FBI he had been the trim dazzling wunderkind of the administrative state buzzing with energy and big ideas for reform He transformed a failing law enforcement backwater riddled with scandal into a modern machine He believed in the power of the federal government to do great things for the nation and its citizens He also believed that certain people many of them communists or racial minorities or both did not deserve to be included in that American project Hoover rose to power and then stayed there decade after decade using the tools of state to create a personal fiefdom unrivaled in U.S. history Beverly Gage's monumental work explores the full sweep of Hoover's life and career from his birth in 1895 to a modest Washington civil service family through his death in 1972 In her nuanced and definitive portrait Gage shows how Hoover was more than a one-dimensional tyrant and schemer who strong-armed the rest of the country into submission As FBI director from 1924 through his death in 1972 he was a confidant counselor and adversary to eight U.S. presidents four Republicans and four Democrats Franklin Roosevelt and Lyndon Johnson did the most to empower him yet his closest friend among the eight was fellow anticommunist warrior Richard Nixon Hoover was not above blackmail and intimidation but he also embodied conservative values ranging from anticommunism to white supremacy to a crusading and politicized interpretation of Christianity This garnered him the admiration of millions of Americans He stayed in office for so long because many people from the highest reaches of government down to the grassroots wanted him there and supported what he was doing thus creating the template that the political right has followed to transform its party G-Man places Hoover back where he once stood in American political history not at the fringes but at the center and uses his story to explain the trajectories of governance policing race ideology political culture and federal power as they evolved over the course of the 20th century
