Pompey A Novel:

Pompey Jonathan Meades, 2013-11-07 At first glance Jonathan Meades's 1993 masterpiece Pompey is a post war family saga set in and around the city of Portsmouth This doesn't come close to communicating the scabrous magnificence of Meades's vision He writes like Martin Amis on acid creating an obscene suppurating vision of an England in terminal decline The story begins with Guy Vallender a fireworks manufacturer from Portsmouth Pompey who has four children by different four different women There's Poor Eddie a feeble geek with a gift for healing Mad Bantu the son of a black prostitute who was hopelessly damaged in the womb by an attempted abortion Bonnie who is born beautiful but becomes a junkie and a porn star and finally Jean Marie a leather wearing gay gerontophiliac conceived on a one night stand in Belgium The narrator is Jonathan Meades cousin to Poor Eddie and Bonnie who tells the story of how their strange and poisonous destinies intersect And although there is no richer stew of perversity voyeurism corruption religious extremism and curdled celebrity in all of English literature there is also an underlying compassion and a jet black humour which makes Pompey an important and strangely satisfying work of art Prepare to enter the English novel's darkest ride HISTORY OF POMPEY THE LITTLE. imperio Gnaei Pompei Cicero argues that the war against Mithridates requires the appointment of a perfect general and that the only man to live up to such lofty standards is Pompey In the section under consideration here Cicero defines the most important hallmarks of the ideal military commander and tries to demonstrate that Pompey is his living embodiment This course book offers a portion of the original Latin text study aids with vocabulary and a commentary Designed to stretch and stimulate readers the incisive commentary will be of particular interest to students of Latin at both AS and undergraduate level It extends beyond detailed linguistic analysis and historical background to encourage critical engagement with Cicero's prose and discussion of the most recent scholarly thought
