Cartier, Alan A. Lew, 2005 The seductiveness of touristed landscapes is simultaneously local and global as travelled places are formed and reworked by the activities of diverse mobile people in their desires to experience situated sensuous qualities of difference Cartier and Lew's interesting and informative book explores contemporary issues in travel and tourism and human geography and the complex cultural, political and economic activities at stake in touristed landscapes as a result of globalization This book assesses travel and tourism as simultaneously cultural and economic processes through ideas about place seduction and the formation of landscapes Throughout examples are given from urban and environmental touristed landscapes from major world cities to tropical islands and chapter contributions include an analysis of the representational character of landscape and the built environment historic constructions of place seduction the importance of class, racial and gender dimensions of place how mobility and the seduction of place orient identity formation the environmental impacts of tourism economies Broad in scope this book is ideal for social scientists and humanists who are interested in contemporary debates about place studies mobility and the located realities of globalization **Seduction Spirit** Harvey Cox, 1973 A fusion of theology and autobiography *Only for the Brave at Heart* Leon E. Pettit, 2023-12-14 Only when we transform our minds can we break the chains of our mental enslavement and find true liberation from our misperceptions about race, crime and justice Social commentators and scholars have presented numerous theories on these topics But while all lament the horrors associated with discrimination and racism few so far have proposed a viable way to escape these sufferings By taking a critical look at the writings of novelists, social commentators and scholars in the fields of sociology, criminology, criminal justice, black studies, philosophy and law Professor Leon E. Pettit presents a series of essays that provide a path that liberates us from these sufferings In doing so he provides a unique perspective that reframes the social realities of racial membership and institutional racism in the US and how they impact our perceptions of crime and justice Buddhism and race are essential elements of these discussions but Pettit's commentary is also informed by an Afrocentric perspective In these ways Pettit examines our thoughts concerning race, the causes of crime and the administration of justice He uses these frameworks to demonstrate how our current modes of thinking reinforce and perpetuate white supremacy influence our scholarly endeavors and frame today's public policies and social agendas In *Only for the Brave at Heart: Essays Rethinking Race, Crime and Justice* readers will 1 learn new ways of thinking that can liberate our world from injustice 2 assess the ways we create the realities of race, crime and justice 3 explore how love and compassion lead to meaningful actions that can reduce human suffering Pettit has spent his career as an academic and Buddhist monk reflecting on and writing about the African American experience *Only for the Brave at Heart* attempts to

create an intellectual movement that reimagines how we think about the perceived differences that fracture our society and disenfranchise so many In the end Only for the Brave at Heart is a critique and commentary on social justice This powerful collection of essays about discrimination and racism will prove to be one of the most important books about race in America today

Urban Rehearsals and Novel Plots in the Early American City Elizabeth Klimasmith,2021 Explores how early American Republic literary texts about urban life played an important role in constructing urban spaces and identities in the young United States and how books allowed readers to access and practice being urban

Hope and Healing in Urban Education Shawn Ginwright,2015-07-30 Hope and Healing in Urban Education proposes a new movement of healing justice to repair the damage done by the erosion of hope resulting from structural violence in urban communities Drawing on ethnographic case studies from around the country this book chronicles how teacher activists employ healing strategies in stressed schools and community organizations and work to reverse negative impacts on academic achievement and civic engagement supporting their students to become powerful civic actors The book argues that healing a community is a form of political action and emphasizes the need to place healing and hope at the center of our educational and political strategies At once a bold revealing and nuanced look at troubled urban communities as well as the teacher activists and community members working to reverse the damage done by generations of oppression Hope and Healing in Urban Education examines how social change can be enacted from within to restore a sense of hope to besieged communities and counteract the effects of poverty violence and hopelessness

Urban Rehearsals and Novel Plots in the Early American City Betsy Klimasmith, 2021-11-04 Urban Rehearsals and Novel Plots in the Early American City sheds new light on the literature of the early US by exploring how literature theatre architecture and images worked together to allow readers to imagine themselves as urbanites even before cities developed In the four decades following the Revolutionary War the new nation was a loose network of nascent cities connected by print Before a national culture could develop local city cultures took shape literary texts played key roles in helping new Americans become city people Drawing on extensive archival research Urban Rehearsals argues that literature particularly novels and plays allowed Bostonians to navigate the transition from colonial town to post revolution city enabled Philadelphians to grieve their experiences of the 1793 Yellow Fever epidemic and rebuild in the epidemic's aftermath and showed New Yorkers how the domestic practices

that reinforced their urbanity could be opened to the broader public Throughout attention to underrepresented voices and texts calls attention to the possibilities for women immigrants and Black Americans in developing urban spaces while showing how those possibilities would be foreclosed as the nation developed Balancing attention to canonical texts of the early Republic including *The Power of Sympathy* Charlotte Temple and Benjamin Franklin's Autobiography with novels whose depiction of early cities deserves greater attention such as *Ormond* *The Boarding School* *Monima* and *Kelroy* this volume shows how US cities developed on the pages and stages of the early Republic building urban imaginations that would construct the nation's early cities

Staged Seduction Akiko Takeyama, 2016-03-09 In the host clubs of Tokyo's Kabuki ch red light district ambitious young men seek their fortunes by selling love romance companionship and sometimes sex to female consumers for exorbitant sums of money *Staged Seduction* reveals a world where all intimacies and feigned feelings are fair game for the hosts who employ feathered bangs polished nails fine European suits and the sensitivity of the finest salesmen to create a fantasy for wealthy women seeking an escape from the everyday Akiko Takeyama's investigation of this beguiling underground love business provides an intimate window into Japanese host clubs and the lives of hosts clients club owners and managers The club is a place where fantasies are pursued and the art of seduction isn't merely about romance a complex set of transactions emerges Like a casino of love the host club is a site of desperation aspiration and hope in which both hosts and clients are eager to roll the dice Takeyama reveals the aspirational mode not only of the host club but also of a Japanese society built on the commercialization of aspiration seducing its citizens out of the present and into a future where hopes and dreams are imaginable and billions of dollars can be made

Archives of Labor Lori Merish, 2017-05-04 In *Archives of Labor* Lori Merish establishes working class women as significant actors within literary culture dramatically redrawing the map of nineteenth century US literary and cultural history Delving into previously unexplored archives of working class women's literature from autobiographies pamphlet novels and theatrical melodrama to seduction tales and labor periodicals Merish recovers working class women's vital presence as writers and readers in the antebellum era Her reading of texts by a diverse collection of factory workers seamstresses domestic workers and prostitutes boldly challenges the purportedly masculine character of class dissent during this era Whether addressing portrayals of white New England factory girls fictional accounts of African American domestic workers or the first person narratives of Mexican women working in the missions of Mexican California Merish unsettles the traditional association of whiteness with the working class to document forms of cross racial class identification and solidarity In so doing she restores the tradition of working women's class protest and dissent shows how race and gender are central to class identity and traces the ways working women understood themselves and were understood as workers and class subjects

Discerning Characters Christopher J. Lukasik, 2011-07-11 In this path breaking study of the intersections between visual and literary culture Christopher J. Lukasik explores how early Americans grappled with the relationship between appearance and social distinction in the

decades between the American Revolution and the Civil War Through a wide range of evidence including canonical and obscure novels newspapers periodicals scientific and medical treatises and plays as well as conduct manuals portraits silhouettes and engravings *Discerning Characters* charts the transition from the eighteenth century's emphasis on performance and manners to the search for a more reliable form of corporeal legibility in the wake of the Revolution The emergence of physiognomy which sought to understand a person's character based on apparently unchanging facial features facilitated a larger shift in perception about the meanings of physical appearance and its relationship to social distinction The ensuing struggle between the face as a pliable medium of cultural performance and as rigid evidence of social standing Lukasik argues was at the center of the post Revolutionary novel which imagined physiognomic distinction as providing stability during a time of cultural division and political turmoil As Lukasik shows this tension between a model of character grounded in the fluid performances of the self and one grounded in the permanent features of the face would continue to shape not only the representation of social distinction within the novel but more broadly the practices of literary production and reception in nineteenth century America across a wide range of media The result is a new interdisciplinary interpretation of the rise of the novel in America that reconsiders the political and social aims of the genre during the fifty years following the Revolution In so doing *Discerning Characters* powerfully rethinks how we have read and continue to read both novels and each other

Retrieve My Heart Urban Seductions: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. Retrieve My Heart Urban Seductions : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Retrieve My Heart Urban Seductions : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Popen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
