 with publication of research discoveries and insights and help the world become a better place within which to live and work  
 action research holds great promise as an approach The challenge is to do it well and with rigor The Handbook is a  
 magnificent collection of articles that will help the reader do all of that Richard E Boyatzis Case Western Reserve University  
 and ESADE This second volume will be a welcome extension of the landmark first volume of the SAGE Handbook of Action  
 Research It effectively secures the field s second wave in a particularly powerful and creative articulation of well theorised  
 practice It could not be more timely for a fast growing field that has attracted recent appreciation from parties as disparate  
 as Shell 3M Australian Aboriginal women in outback Australia working to prevent harm to children and the Secretary  
 General of the UN Yolanda Wadsworth For anyone thinking about or doing action research this book is an obligatory point of  
 reference If any one text both maps the action research paradigm and at the same time moves it on this is it Bill Cooke  
 Manchester Business School Building on the strength of the seminal first edition the The SAGE Handbook of Action Research  
 has been completely updated to bring chapters in line with the latest qualitative and quantitative approaches in this field of  
 social inquiry Peter Reason and Hilary Bradbury have introduced new part commentaries that draw links between different  
 contributions and show their interrelations Throughout the contributing authors really engage with the pragmatics of doing  
 action research and demonstrate how this can be a rich and rewarding reflective practice They tackle questions of how to  
 integrate knowledge with action how to collaborate with co researchers in the field and how to present the necessarily messy

components in a coherent fashion The organization of the volume reflects the many different issues and levels of analysis represented This volume is an essential resource for scholars and professionals engaged in social and political inquiry organizational research and education      *The Handbook of Social Research Ethics* Donna M.
