Rise John McCormick,2021-12-09 The follow up to Crawl finds the lads determined to take a well earned break in the Mediterranean sun unaware that an old foe is lurking in the background **Heir to the Stars: Joker** Lionel Suggs,2011-04-14 Somewhere during the events of Heir to the Stars and Heir to the Stars II there was a Suit named Joker Take a journey into the world of the final Suit as the End of all Time draws near **Crawl** John McCormick,2021-11-21 Set in Belfast at the end of the 1980s Crawl follows the lives and loves of a group of friends during the course of a traditional Christmas Eve pub crawl As the day progresses events unfold that force the friends to examine their beliefs and to ask the question Can love conquer god **The Halloween Joker** Anne Capeci,Rick Duffield,1998 With Halloween coming to Oakdale the whole town is getting into the spirit But someone is out to spoil the fun targeting the kids with a series of practical jokes that are getting out of hand *The Three Mike Cramer Novels* Stephen Leather,2013-03-21 Three page turning action thrillers from Stephen Leather THE CHINAMAN THE DOUBLE TAP and THE LONG SHOT It'll Never Happen Again Raoul Moret Pierre,2011-08-31 Before the great depression started in 1929 times were hard for colored people in the south especially in large cities but not as much in rural areas Most of the rural areas were littered with sharecroppers who were mostly holdovers from the slavery era and stayed on the land they were born Most of them had never been any further than the nearest town close to where they lived Three such families lived on land their families had farmed for years The landowners were the Holcomb and Nobles and the three families that lived and farmed the land were the Carters the Longs and the Isaacs The Carter family was Granny Nettie Adams her son in law Abraham his wife Eve and three kids the Long family John Henry his wife Florence called Flossie and their three kids and the Isaac family of four William his wife Cara and two kids They all lived and worked as sharecroppers on the Holcomb and Nobles land just north of Denmark South Carolina On December fifteenth 1921 John Henry Long s wife Flossie gave birth to their third child a girl named June but Flossie died shortly after giving birth due to complications John Henry did the best he could to care for his three children and hired a neighbor s daughter to care for his kids while he worked his land She worked for him for over a year until she wanted to get married and leave Denmark Initially he would take the kids to the field with him and his oldest son Bankston who he called Banks who was only seven would watch the kids who were Mae Helen five and the baby who was barely walking June and he called her Lil Sis One day Granny Nettie came to the fields to bring her son in law Abe his lunch and saw John Henry s kids and offered to care for them along with her own three great grandkids Her granddaughter Eve worked at the Holcomb s house as the cook after her mother died in the winter of 1918 She was an only child since her mother died at age twenty three and her father left going to Charleston and never came back Everyday before he went to the fields John Henry would bring kids to the Carter house This arrangement worked very well until the summer of 1923 when Abe was killed in an farming accident His mule kicked him in the head and he was drug with the plow The news of his death

devastated Eve and left her wondering how she the kids and Granny Nettie were going to make it and be able to farm the land Eve had loved Abe since she first saw him in town at the general store when she was ten and married him when she turned sixteen Abe s family lived on the other side of Denmark but shopped at the general store like most people in the area After Abe s death John Henry began to stay at the Carter s when he came by to pick up his kids have dinner and would flirt with Eve At first she didn t acknowledge his flirting but after a long talk with Granny Nettie about John Henry s flirting and her need for a husband to provide for her and her three kids she gave in and married him in late 1924 It wasn t about love because she said she could never love another man after Abe it was just about the kids and both of their needs to support their kids Eve decided to moved to John Henry s house and Granny Nettie came with them to watch the kids during the day while he worked the fields and Eve continued to work at the Holcomb s house At first the arrangement worked great until the spring of 1925 when John Henry made the boys go to the fields with him to work Most days the kids went to the Denmark School for Colored Children Eve s sons Joshua called Josh and Daniel called Danny and John Henry s son Bankston called Banks would go to the fields some days but John Henry began to make them stay out of school and began to treat Eve s sons differently He would beat them with his strap sometimes two or three times a week if they didn t do what he told him to do in the
