Understanding Christian Mission Scott W. Sunquist, 2013-09-15 This comprehensive introduction helps students pastors and mission committees understand contemporary Christian mission historically biblically and theologically Scott Sunquist a respected scholar and teacher of world Christianity recovers missiological thinking from the early church for the twenty first century He traces the mission of the church throughout history in order to address the global church and offers a constructive theology and practice for missionary work today Sunquist views spirituality as the foundation for all mission involvement for mission practice springs from spiritual formation He highlights the Holy Spirit in the work of mission and emphasizes its trinitarian nature Sunquist explores mission from a primarily theological rather than sociological perspective showing that the whole of Christian theology depends on and feeds into mission Throughout the book he presents Christian mission as our participation in the suffering and glory of Jesus Christ for the redemption of the nations **Salvation in the**

Flesh David Tremontozzi, 2018-02-01 David Tremontozzi contends that conservative traditional Christianity has uncritically adopted an intellectualist i e rationally driven view of faith in its understanding and practice of salvation Throughout he maintains that an intellectualist soteriology should be rejected because it prioritizes the rational over other behavioral and affective aspects of faith An intellectualist rendering of salvation is incomplete because human experience is neither abstract nor gnostic it is embodied and experientially relevant An intellectualist soteriology simply cannot account for the dynamic and transforming possibilities of saving grace Salvation in the Flesh offers an innovative perspective on the embodied nature of faith and the centrality of the Holy Spirit in the Christian doctrine of salvation Drawing from the cognitive neurosciences and psychology Tremontozzi argues for a holistic awareness of cognition to better inform an embodied understanding of faith In dialogue with the cognitive sciences he appropriates Jonathan Edwards theology of religious affections early church practices and pentecostal spirituality to highlight the soteriological significance of orthodoxy orthopraxy and orthopathy for a renewal soteriology of embodiment In doing so Tremontozzi offers a vision of salvation that more thoroughly accounts for the multifarious ways God s saving grace interacts with human flesh and blood **EXPLAINING THE DOCTRINE OF**

ARE WE SAVED? Stephen Rong,2011-06-01 Today Gospel has been twisted in a broad field Faith in Jesus Christ must be built up on the full revelation

of God However most evangelists do not equip well before ministering They lack the structure of faith of the Scriptures The consequence is that both shepherds and sheep are not walking on the way of truth Actually they are falling away Because of lacking of the foundation of faith based on the full words of God it is not surprised that even popular evangelists deny that Jesus Christ is the only way of salvation Let s tremble before the Word of God and seek Him John 1 1 In the beginning was the Word and the Word was with God and the Word was God Isaiah 66 5 Hear the word of the LORD ye that tremble at his word Your brethren that hated you that cast you out for my name s sake said Let the LORD be glorified but he shall appear to your joy and they shall be ashamed *Salvation As a Mechanical Process* Richard E. Davies,2020-02-14 Christians have been taught that Jesus died on the cross to pay a fine or ransom to expiate or atone for our sins Furthermore they have been taught that the death of Jesus is the only way individuals can receive eternal salvation In general this notion is called the doctrine of blood atonement or penal substitution or some similar name One reason for this teaching is that the development of Newtonian mechanics has led us to believe that God s laws of salvation must be as easy to understand as the seventeenth and eighteenth century laws of our physical world This book demonstrates that there are alternatives for understanding Jesus execution that are consistent with the twentieth and twenty first century understanding of our physical world In fact the early Christian writers including the Bible itself described these alternatives Sacrifice was only one form of the early Christian narrative explaining the death of Jesus Although blood atonement was understandable in ancient Roman culture it is not understandable in our culture The inevitable conclusion is that we should abandon blood atonement and develop one of the alternative ways of understanding the cosmic significance of Jesus execution **Understanding Christianity** Edgar Monroe McKown,Carl J. Scherzer,1949 **The Routledge Handbook of African Theology** Elias Kifon Bongmba,2020-05-25 Theology has a rich tradition across the African continent and has taken myriad directions since Christianity first arrived on its shores This handbook charts both historical developments and contemporary issues in the formation and application of theologies across the member countries of the African Union Written by a panel of expert international contributors chapters firstly cover the various methodologies needed to carry out such a survey Various theological movements and themes are then discussed as well as biblical and doctrinal issues pertinent to African theology Subjects addressed include Orality and theology Indigenous religions and theology Patristics Pentecostalism Liberation theology Black theology Social justice Sexuality and theology Environmental theology Christology Eschatology The Hebrew Bible and the New Testament The Routledge Handbook of African Theology is an authoritative and comprehensive survey of the theological landscape of Africa As such it will be a hugely useful volume to any scholar interested in African religious dynamics as well as academics of Theology or Biblical Studies in an African context **The Orthodox Understanding of Salvation** Christopher Veniamin,2023-07-20 The Orthodox Understanding of Salvation brings together some of Dr Veniamin s talks and articles hitherto available in relatively little known theological journals and periodicals which pertain to the

fundamental question of the purpose of human existence to Salvation as understood in the age old and unbroken tradition of the Orthodox Christian Faith the faith of the Patriarchs Prophets Apostles Martyrs and Saints of our Lord God and Saviour Jesus Christ Dr Christopher Veniamin is a spiritual child of St Sophrony the Athonite 1896 1993 a graduate of the Universities of Thessalonica and Oxford has served as Professor of Patristics at St Tikhon s Seminary 1994 2023 and as Dean and COO of The Antiochian House of Studies 2015 2020 He is also the author of The Orthodox Understanding of Salvation Theosis in Scripture and Tradition and The Transfiguration of Christ in Greek Patristic Literature From Irenaeus of Lyons to Gregory Palamas With Addendum The Transfiguration of Christ in the Spiritual Homilies of Macarius the Egyptian His translation Saint Gregory Palamas The Homilies for which he wrote a prodigious number of scholia is arguably the greatest single volume commentary on the Bible in Patristic literature

Understanding the Gift of Salvation Irpeel Ebenezer, 2012-03-01 What exactly did Jesus Christ save us from other than hell fire That was the question a somewhat frustrated friend asked while going through a difficult period in his life Many Christians have asked similar questions or wondered why the Christian life in reality is so different from what is usually professed This book is a true seeker s manual on the Gift of Salvation It is for those who are not satisfied with only doctrines and creeds handed down by parents or pastors It is for those willing to build on what they ve learnt dig deeper and find out the fullness of what God in His mercy gave to mankind in Jesus Christ It not a book to rush or breeze through like the Berean Christians readers are encouraged to carefully study the Scripture references and dig out the truth for themselves The promise of God is You will seek Me and find Me when you seek Me with all your heart

Are You Really Saved? Michael D. LeMay, 2014-05-12 Are You Really Saved will challenge every professing Christian to take a step back and see what the Bible actually says about sin grace salvation and sanctification As Christians become busier with things of this world reading and understanding the Bible has been replaced with quick sermons or daily devotionals leaving many Christians with more questions than answers about these eternal subjects Every person will stand before a right and just God when they die and hear one of two judgments Well done good and faithful servant or Away from me you evildoers I never knew you Most professing Christians believe they will be welcomed into eternal life with God yet cannot explain exactly why or how We have relied too long on misinformation or the teachings of a select few instead of searching the Bible for God s answers to questions of eternity This book will challenge you to examine not only what you have come to believe but ask the important why questions questions most professing Christians often cannot answer

Love, Violence, and the Cross Gregory Anderson Love, 2010-08-01 Does God use violence to redeem us What is the relationship between divine love and violence in regard to the saving significance of the cross of Christ In *Love Violence and the Cross* Gregory Love dialogues with two responses to this question while presenting a third alternative in which Jesus's death is simultaneously a crime and an element of God's saving actions Through familiar stories in history literature and film Love presents five constructive models that cumulatively affirm God's saving act in the person and work of Christ while letting go the myth of redemptive violence They affirm redemption but one with a different shape Instead of exacting the absolute punishment God redeems by making good God's promise to humanity to secure human life Love argues that God is nonviolent while retaining the core idea presented in the New Testament witnesses that reconciliation occurs in the work of Christ and that the cross plays a role in that divine work
