Divided by the Wall Emine Fidan Elcioglu,2020-08-04 The construction of a wall on the U S Mexico border whether to build it or not has become a hot button issue in contemporary America A recent impasse over funding a wall caused the longest government shutdown in U S history sharpening partisan divisions across the nation In the Arizona borderlands groups of predominantly white American citizens have been mobilizing for decades some help undocumented immigrants bypass governmental detection while others help law

enforcement agents to apprehend immigrants. Activists on both the left and the right mobilize without an immediate personal connection to the issue at hand, many doubting that their actions can bring about the long-term change they desire. Why then do they engage in immigration and border politics so passionately? *Divided by the Wall* offers a one-of-a-kind comparative study of progressive pro-immigrant activists and their conservative immigration restrictionist opponents. Using twenty months of ethnographic research with five grassroots organizations, Emine Fidan Elcioglu shows how immigration politics has become a substitute for struggles around class inequality among white Americans. She demonstrates how activists mobilized not only to change the rules of immigration but also to experience a change in themselves. Elcioglu finds that the variation in social class and intersectional identity across the two sides mapped onto disparate concerns about state power. As activists strategized ways to transform the scope of the state's power, they also tried to carve out self-transformative roles for themselves. Provocative and even-handed, *Divided by the Wall* challenges our understanding of immigration politics in times of growing inequality and insecurity.

Showdown at Hole-In-the-Wall Ralph Cotton, 2009-03-03

Arizona Ranger Sam Burrack goes gun to gun with a vicious assassin in this gripping western. Sam Burrack has spent a full winter healing up after being shot in the back and he's still not completely ready for action. But he still has to see a man about a horse and a lot more. The horse is his own stallion. The man is Memphis Beck, a member of the notorious Hole in the Wall gang and the man who saved his life. Beck's been holding on to the mount as a favor to Burrack and now it's time for the ranger to collect his stallion. But another man has his own interest in Hole in the Wall: a twisted, cold-blooded assassin known as the Dutchman. Soon the lawman and the lawless will find their fates intertwined in a pitched battle that neither may survive.
