Dr. Frances Hughes  
Incoming Chief Executive Officer  
International Council of Nurses  
3., Place Jean  
Marteau 1201 -  
Geneva Switzerland

Dear Dr. Hughes,

On behalf of the board of directors of the Canadian Nurses Association (CNA), we extend congratulations to you on your recent appointment as the chief executive officer of the International Council of Nurses.

The commitment and leadership you've shown over many years, as an educator, clinician and a health-care executive in progressively senior roles, will undoubtedly serve ICN's efforts to build a strong nursing community to meet global health challenges.

An active member of ICN since our inception in 1908 and a proud recipient of the 2015 ICN Membership Inclusiveness Silver Award, CNA looks forward to working with you on global nursing and health matters. Many of ICN's strategic priorities for the years ahead — bringing solidarity and cooperation across the profession, providing leadership to advance nursing, and influencing health policy to achieve better outcomes — resonate with several of CNA's own priorities.

This past year, CNA had the opportunity to participate with ICN and the World Health Organization in the first professional consultation on health human resources. In doing so, we were able to offer expertise for the development of an evidence-based opinion document that framed central issues on global needs in this area. We hope CNA will have further opportunities to collaborate with ICN on such important policy issues during your tenure.

Many exciting opportunities await you, and we wish you every success and professional fulfilment in your new role.

Sincerely,

Karima Velji, RN, PhD, CHE  
President

Anne Sutherland Boal, RN, BA,  
MHSA Chief Executive Officer

## Sample Congratulation Letter On Debutante Introduction

In today's digital age, the availability of Sample Congratulation Letter On Debutante books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sample Congratulation Letter On Debutante books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sample Congratulation Letter On Debutante books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sample Congratulation Letter On Debutante versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sample Congratulation Letter On Debutante books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sample Congratulation Letter On Debutante books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sample Congratulation Letter On Debutante books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sample Congratulation Letter On Debutante books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sample Congratulation Letter On Debutante books and manuals for download and embark on your journey of knowledge?
