I have worked closely with parents and caregivers to develop and implement behavior plans, as well as provided support and guidance in the areas of communication, socialization, and emotional regulation. I have also developed and implemented activities and interventions that support the development of the whole child.

Some of my core accomplishments include -

- Developed and implemented individualized family service plans (IFSPs) to meet the needs of children aged 0-3 and their families.
- Conducted home visits, collaborated with other professionals, and provided family support services.
- Implemented evidence-based practices and interventions to promote skill and behavior development.
- Developed individualized goals and objectives for families and children in accordance with the IFSP.
- Educated families on the importance of early intervention and provided guidance and support on how to help their children reach developmental milestones.
- Facilitated playgroups and other activities to promote social skills and behavior development.
- Monitored and reported on children's progress and program outcomes.
- Acted as a liaison between families, providers, and other professionals in the community.

In addition to my professional experience, I am an enthusiastic and passionate individual who has a genuine love for working with children.

I am confident that I could be a strong asset to your team and I am excited about the opportunity to collaborate with you and make a positive impact on the lives of children and families. Thank you for your time and consideration. I look forward to hearing from you.
