1. OBJECTIVE:

G.I. 2.710 is intended to define the respective duties and obligations required of the Saudi Aramco Project Management Team (SAPMT)/Construction Agency, Inspection Department, Loss Prevention Department, and the Proponent that are necessary to ensure a smooth and timely transition from the construction phase through the start-up and operation of a facility. The Mechanical Completion and Performance Acceptance Certificates document these duties and obligations.

- * Reference to this Instruction and its attachments in a lump sum contract as a requirement for the contractor to follow and as a sole means of defining the contractor's pre- and post-MC responsibilities is not permitted. This Instruction and its attachments define responsibilities within Saudi Aramco organizations only and are not a suitable means of assigning responsibilities to the contractor. As applicable, a customized division of responsibility based on needs should be included or referenced in lump sum contract, either in the body of Schedule "B" or as an attachment to Schedule "B" titled Completing & Accepting the WORK.
