Save The Children Uk Report:

Saving the Children Emily Baughan, 2021-11-23 *Saving the Children* analyzes the intersection of liberal internationalism and imperialism through the history of the humanitarian organization Save the Children from its formation during the First World War through the era of decolonization Whereas Save the Children claimed that it was saving children to save the world the vision of the world it sought to save was strictly delimited characterized by international capitalism and colonial rule Emily Baughan's groundbreaking analysis across fifty years and eighteen countries shows that Britain's desire to create an international order favorable to its imperial rule shaped international humanitarianism In revealing that modern humanitarianism and its conception of childhood are products of the early twentieth century imperial economy *Saving the Children* argues that the contemporary aid sector must reckon with its past if it is to forge a new future Long Walk to Nowhere Philip Frankel, 2017-07-05 The end of apartheid has triggered massive illegal immigration into South Africa from all parts of Africa and beyond Along with urbanization and internal migration the end of apartheid has encouraged human smuggling and the trafficking of men women and children into the commercial sex market and various sectors of the economy from mining to agriculture and the service industries *Long Walk to Nowhere* analyses the impact of these developments on Nelson Mandela's vision for a democratic South Africa Frankel explores human rights the political culture public health the criminal justice system and institutional development as South Africa moves into its third decade after liberation Using migration and human trafficking as barometers for democratic success Frankel establishes that South Africa has become more unstable under two post Mandela presidencies The book covers the three major modes of human trafficking commercial sex trafficking child trafficking and labour trafficking It also looks at the dynamics of trafficking with a perpetrator focus the complex issues of dominance and the policy responses in light of South Africa's first comprehensive counter trafficking legislation designed for implementation in late 2015 *Long Walk to Nowhere* blends South African experiences with contemporary mass political movements which challenge human rights and good governance on a world wide basis The Department of Labor's ... Findings on the Worst Forms of Child Labor, 2003 **The Liberty Paradox** David Kinley, 2024-02-20 The author examines the implications of this liberty reset for the ways we negotiate freedom's boundaries as we tend to our unending preoccupations of wealth work health happiness security voice love and death **UN Peacekeeping in Lebanon, Somalia and Kosovo** Ray Murphy, 2007-05-10 The concept of UN peacekeeping has had to evolve and change to meet the challenges of contemporary sources of conflict consequently peacekeeping operations have grown rapidly in number and complexity This book examines a number of issues associated with contemporary multinational peace operations and seeks to provide insights into the problems that arise in establishing and deploying such forces to meet the challenges of current conflicts The focus of the book is three case studies Lebanon Somalia and Kosovo involving a comparative analysis of the traditional peacekeeping in Lebanon the more robust peace enforcement mission in Somalia and

the international administration undertaken on behalf of the international community in Kosovo The book analyses the lessons that may be learned from these operations in terms of mandates command and control use of force and the relevance of international humanitarian and human rights law to such operations By the Sweat and Toil of Children: Consumer labels and child labor ,1994

Palestinian Refugee Repatriation Michael Dumper,2006-09-27 The repatriation of Palestinians is a highly topical issue and a critical component of any future peace process for Israel Palestine Until now the mechanics of repatriation have not been dealt with in detail This book explores the notion that the Palestinian refugee case is exceptional through the comparative study of refugee repatriation and asks To what extent can the Palestinian case be said to be unique Where are the divergences the overlaps and points of similarity with other refugee situations What lessons can be drawn from these comparisons How can these lessons inform refugee organizations the donor community and policy makers The expert contributors examine the contextual and methodological field reviewing the trends in forced migration and refugee studies as well as studying the historical and political background of UNHCR and the negotiations around the Palestinian refugee issue Taking a comparative approach the book incorporates case studies of specific refugee situations from around the world revealing key issues in the formulation of repatriation programmes and highlighting lessons to be learnt

Hope Amidst Despair Susanna W. Grannis,2011-10-07 Of the 16 million children to have been orphaned by AIDS worldwide almost 15 million live in sub Saharan Africa Hope Amidst Despair focuses on these children and those who are made vulnerable by HIV AIDS Of the millions affected many live in deep poverty experience little schooling have unmet health and psychological issues and bear the burden of stigma Their plight is often ignored and as a result they lead lives of isolation and exclusion that threaten their futures The book gives voice to HIV AIDS orphans allowing them to tell their stories and explain the challenges they face Susanna Grannis founder of CHABHA Children Affected by HIV AIDS shows through first hand experience and research how young community leaders can with help effectively promote children s wellbeing and independence Readers learn of the complexities and possibilities involved in positive development through the analysis of data on children from five different countries in sub Saharan Africa This will be an essential title for HIV AIDS campaigners students of development studies policy makers donors and anyone concerned about the welfare of children in developing countries Refugees, Immigrants, and Education in the Global South Lesley Bartlett,Ameena

Ghaffar-Kucher,2013-07-04 The unprecedented human mobility the world is now experiencing poses new and unparalleled challenges regarding the provision of social and educational services throughout the global South This volume examines the role played by schooling in immigrant incorporation or exclusion using case studies of Thailand India Nepal Hong Kong PRC the Philippines the United Arab Emirates Jordan Kenya Egypt South Africa Senegal Sudan Mexico and the Dominican Republic Drawing on key concepts in anthropology the authors offer timely sociocultural analyses of how governments manage increasing diversity and how immigrants strategize to maximize their educational investments The findings have

significant implications for global efforts to expand educational inclusion and equity *Law Enforcement within the Framework of Peace Support Operations* Roberta Arnold, 2008-08-31 Since the end of the Cold War and the emergence of asymmetric threats like terrorism the military has been increasingly entrusted with tasks traditionally belonging to the police This development is visible through the new challenges posed to modern Peace Support Operations PSO intended as an umbrella definition covering different types of post conflict peace operations be these mandated under Chapter VI or Chapter VII of the United Nations Charter with either peace keeping peace enforcing or even peace building goals The aim of this volume is primarily to provide guidance in the format of a handbook to those deployed in the field and who are confronted with legal issues In order to achieve this goal the handbook is structured as follows after this introduction Part II addresses the general question whether law enforcement shall be a PSO task Law enforcement is perceived by some states as a matter of self defense Part III then addresses the limits and possibilities of law enforcement by PSO The discussion continues with Part IV which provides some practical tools for those deployed to the field Part V focuses instead on law enforcement within PSO illustrating problems related to the prosecution of members of PSO forces suspected of illegal activities and Part VI then draws the conclusions *The U.S. Department of Labor's 2003 Findings on the Worst Forms of Child Labor* United States.

Bureau of International Labor Affairs, 2004 The report describes the efforts of 144 countries and territories to meet their international commitments to eliminate the worst forms of child labor Elaine L Chao Sexual Exploitation and Abuse in UN Peacekeeping Kelly Neudorfer, 2014-12-31 While serving in United Nations peacekeeping missions some peacekeepers sexually exploit and abuse the local population a fact which erupted into a scandal published by many media outlets in 2005 and 2006 This book analyzes factors which may increase the risk of such behavior as well as measures the UN has taken which may have decreased the number of incidents Using a mixed methods design the book argues that previous analyses have been largely undertheorized with the exception of gender theories and turns to criminology to look at the phenomenon of so called Sexual Exploitation and Abuse SEA in a new light The three risk factors found to increase the likelihood of SEAs are an environment of sexual violence in the mission s host country the presence of internally displaced persons close to the mission and a lack of supervised or regulated contact with the local population In turn the presence of an office whose purpose is to collect reports and investigate allegations training on preventing SEAs for the incoming peacekeepers and campaigns to empower the local population on these issues all seem to reduce the risk of sexual exploitation and abuse occurring By using a statistical analysis followed by case studies of the UN peacekeeping missions in the Democratic Republic of the Congo Liberia and the Golan Heights the author demonstrates the importance these factors have in the peacekeepers behavior on the mission providing a solid basis upon which future policy recommendations can be made
