

Male Monologue #1

THE BODY Kirk Wallace

Copyright by the Author. All Rights Reserved.

[Derrick is speaking. Elizabeth is listening]

DERRICK: It was the shadow of the boy I saw first. His arms hanging down over his head, the silhouette of his feet aimed up. *[Beat]* Then,-- I stepped into the room and saw his dead eyes, open, as if staring, unseeing, down at the pool of blood that had been drained from his body. *[Beat, trying to sound professional]* I looked around the room, made mental notes of where everything was and then crossed to him and cut him down, letting this body drop back into a more normal relationship with the ground. Just because he had died abnormally, didn't mean he had to sustain it in death. As we looked around the shack, most of the others got sick at what they saw. But it was the smell that got me. It wasn't that usual odor of death you find in scenes like this. That bloody mixture of excrement and sweat strained out of the contraction of agonized muscle. This was different. It was more acrid. Caustic. Like acid. But, worse of all, it's stench made me...afraid. *[Looks at her]* You know, always before these horror scenes filled me with rage, a determination to catch the bastard responsible and put him away. But this time -- *[Looks at her, trying to find the words]* This time...I...*[Stops, then goes ahead.]* Whatever is out there is more terrifying, more ugly than anything I've ever dealt with. It seems so grossly inadequate, but the only word I can think of to describe what we're up against is...evil. We're looking for something inhuman and that scares the hell out of me.
