Ethnography and the Evocative World of Policing Matthew Bacon,Bethan Loftus,Mike Rowe,2023-12-04 This book demonstrates the unique contribution police ethnographies make to our understanding of policing cultures and practices in a variety of international settings It features contemporary examples of police ethnographies that demonstrate the continuing value of ethnographic work to our understanding of policing The first section of the book focuses on the police and Anglo American policing The second section is international in scope and seeks to enrich our understandings of policing beyond the police Chapters explore police

interactions during a stop and search and at a carnival They peer behind the scenes at the control room and at the use of intelligence We listen in to the experiences of new recruits and the stories told in canteens They also take us into the world of private security agencies to Kenya and to Vietnam The book explores the position of ethnographers asking whether we do too much with rather than on the police and whether our work reveals more about us as academics than them as officers Together they are revealing of a changing policing landscape Ethnography and the Evocative World of Policing demonstrates the unique value of ethnographic work in the fields of policing studies and criminology It will be a key resource for scholars and researchers of policing criminology sociology law and research methods The chapters in this book were originally published in two special issues of Policing and Society *Hidden Youth and the Virtual World* Gloria Chan,2016-10-04

Hidden Youth and the Virtual World examines the phenomenon of hidden youth or hikikomori as it is better known in Japan as well as Hong Kong Exposure to the Internet has allowed these young persons to develop a high level of capability within the virtual world however these are skills that are not highly valued by society This book uncovers the truth about hidden youth the causes coping strategies power relations between them and adults in society and their relationship with the virtual world Key topics surrounding the phenomenon of hidden youth are explored in detail including The framework of Social Censure Theory The theoretical concepts of hegemony and the impact that labelling by the Government the media and institutions has had on hidden youth The willingness of the hidden youth to remain hidden within the virtual world Subcultures as a platform for hidden youth empowerment This is a particularly useful volume to researchers in child and adolescent psychology clinical psychology counselling and psychotherapy school psychology sociology social work and youth policy as well as youth workers school counsellors and mental health professionals and will appeal to the interest of both academics and practitioners alike *New Frontiers in Forensic Linguistics* Monwabisi Ralarala,Russell Kaschula,Georgina Heydon,2019-06-25

The field of forensic linguistics is a niche area that has not enjoyed much participation from the African continent The theme of language and the law in this book is one that straddles two important aspects of the legal history of South Africa in particular and how it has impacted on the country s legal and education systems The declaration by the United Nations of 2019 as The International Year of Indigenous Languages is opportune not only for the launch of this book but for what its research content tells us of the strides taken in ensuring access to justice for all citizens of the world in a language they understand The contributions by authors in this book tell the story of many African citizens and those hailing from beyond our borders who straddle the challenges of linguistic and legal pluralism in courtrooms across their respective countries It is our hope that the contributions made in this book will assist in ensuring human rights become a reality for global citizens where indigenous voices have not been heard and that these citizens will be free to give their testimonies in a language of their choice and that they may be heard and understood **Compulsory Interventions in Psychiatry: an Overview on the Current Situation and Recommendations for Prevention and Adequate Use** Christian Huber,Andres

Ricardo Schneeberger,2021-02-24 *St. Louis School Desegregation* Hope C. Rias,2018-12-31 This book examines the history of the school desegregation movement in St Louis Missouri Underlining the 2014 killing of Michael Brown as a catalyst for re examination of school desegregation Rias delves into the connection between contemporary school segregation and social justice probing the ways that soft racism a term the author uses to describe the non violent yet equally harmful types of protests that opponents of desegregation utilized has permeated St Louis since the days of Brown v Board of Education The chapters feature the voices of those who were central to the desegregation fight in St Louis showing how the devastating effects of school segregation and soft racism linger today **History of Federal College of Education Kano 1961-2015** Fabian Ndidi Nwaugo,Muhammad Wada,2018 **Sanctuary cities and urban struggles** Jonathan Darling,Harald Bauder,2019-07-04 *Sanctuary Cities and Urban Struggles* makes the first sustained intervention into exploring how cities are challenging the primacy of the nation state as the key guarantor of rights and entitlements It brings together cutting edge scholars of political geography urban geography citizenship studies socio legal studies and refugee studies to explore how urban social movements localised practices of belonging and rights claiming and diverse articulations of sanctuary are reshaping the governance of migration By offering a collection of empirical cases and conceptualisations that move beyond seeing like a state *Sanctuary Cities and Urban Struggles* proposes not a singular alternative but rather a set of interlocking sites and scales of political imagination and practice In an era when migrant rights are under attack and nationalism is on the rise the topic of how citizenship rights and mobility can be recast at the urban scale is more relevant than ever *Black Women Centre Stage* Paola Prieto López,2023-12-13 This book examines the political alliances that are built across the diaspora in contemporary plays written by Black women playwrights in the UK Through the concept of creative diasporic solidarity it offers an innovative theoretical approach to examine the ways in which the playwrights respond creatively to the violence and marginalisation of Black communities especially Black women This study demonstrates that theatre can act as a productive space for the ethical encounter with the Other understood in terms of alterity as someone different from the self by examining the possibilities of these plays to activate the spectators responsibility and solidarity towards different types of violence experienced by Black women offering alternative modes of relationality The book engages with a range of contemporary works written by Black women playwrights in the UK including Mojisola Adebayo Theresa Ikoko Diana Nneka Atuona Gloria Williams Charlene James or Yusra Warsama bringing to the fore a gendered and intersectional approach to the analysis of the texts This book will be of great interest to students and scholars in contemporary theatre gender studies and diaspora studies 1986 International Association of Universities,Franz Eberhard,Ann C.
