Partisan politics and division between Americans of different political parties are constantly in the news. However, political division is not a new thing in the United States, and readers are introduced to the history of political parties as they explore how the early divisions between the Founding Fathers are still reflected in many ways today. The insightful main text and sidebars include annotated quotations to provide first-person perspectives on the various political parties that have had an impact on American democracy. Primary sources and a detailed timeline provide additional information about this timely topic. Political Parties of the World Alan Day,1995-10-01 *Political Parties in the United States* Allan P.
