Directory ,2013 Poverty and Power Edward Royce,2015-01-21 Poverty and Power asserts that American poverty is a structural problem resulting from failings in our social system rather than individual failings of the poor The second edition has been revised throughout with new statistical information analysis of the recent recession the Obama presidency increasing political polarization and more **Resources in Education** ,1992-02 **The Shadow Gospel** Whitney Phillips,Mark Brockway,2025-04-15 A novel account of the culture wars and Evangelical influence in the United States that traces the 80 year rise of a quasi religious anti liberal demonology When people talk about the chaotic increasingly precarious political landscape in the United States they often blame polarization and the culture wars In The Shadow Gospel Whitney Phillips and Mark Brockway tell a very different story Analyzing eighty years of densely overlapping religious and secular messages preaching the dangers of liberalism the book argues that the fracture and chaos in U S politics isn t the result of a clean split between left and right Instead it s a split between the shadow gospel s quasi religious anti liberal demonology the vague sense that an evil leftist force is threatening to destroy American society and the people accused of being the liberal devil A shadow gospel framework helps contextualize the violence of January 6 2021 the fervor of Satanic conspiracy theorizing and the crusade against wokeness and LGBTQ existence But it also helps explain the most vexing elements of our politics that the most potent source of religious messaging and influence in the United States is secular that the most ruthless destroyers of Republicans are other Republicans and that anti liberal fear and loathing span the political spectrum By offering new ways of thinking about religious influence the left right dichotomy and the appeal of Donald Trump The Shadow Gospel reveals the true roadblocks to pluralistic democracy and emphasizes what people across the religious and political spectrum stand to lose if we don t exorcise our anti liberal demons There are no easy solutions to our vast and complicated political problems But those solutions will remain elusive if how we frame our problems is part of the problem It is long past time to drag the shadow gospel out into the light **Ecofictions, Ecorealities, and Slow Violence in Latin**
