nearby mountains to jumping into pools of clear water that were hidden deep in the trees Max's excitement made his friends want to go on adventures with him because they knew any trip with him would be full of surprises and fun But Max's dreamy heart might have been what made him unique He had dreams that were as big as the mountains that circled the valley and as high as the birds that flew so gracefully through the sky Max dreamed of finding lost treasures figuring out the mysteries of the world and making his mark on the history of time Not only were his dreams just wild thoughts but they were also what kept him going and gave him hope when things got hard in real life
