

Welcome Back to School!!

Dear Parents,

My name is Mrs. Cauthen, and I am so excited to be NCA's Computer Teacher this year! I have so many great things planned to help each student move forward in his or her Computer skills. The computer is a powerful tool that can enrich and challenge, giving your child opportunities to excel in this digital world.

We will be working with many different applications such as Microsoft Word, Excel and PowerPoint as well as Mavis Beacon Teaches Typing and other award winning educational software. We will also be exploring the World Wide Web for various websites to enhance what we are learning in the regular classroom, giving us a hands on view of what we previously only saw on the textbook page. We will also be experimenting and completing projects using our two digital cameras and our brand new flip video camera!

Check out our Website... www.cauthenscomputercrew.blogspot.com for updates on what we're working on and what we're learning this year!

I look forward to working with you and your child this year! Please let me know if you have any questions or any suggestions!

Thank you!

Mrs. Cauthen

of football In 1903 came the man who would mold the Carlisle Indians into a juggernaut Glenn Pop Warner the son of a former Union Army captain Guided by Warner a tireless innovator and skilled manager the Carlisle eleven barnstormed the country using superior team speed disciplined play and tactical mastery to humiliate such traditional powerhouses as Harvard Yale Michigan and Wisconsin and to along the way lay waste American prejudices against Indians When a troubled young Sac and Fox Indian from Oklahoma named Jim Thorpe arrived at Carlisle Warner sensed that he was in the presence of greatness While still in his teens Thorpe dazzled his opponents and gained fans across the nation In 1912 the coach and the Carlisle team could feel the national championship within their grasp Among the obstacles in Carlisle s path to dominance were the Cadets of Army led by a hardnosed Kansan back named Dwight Eisenhower In Thorpe Eisenhower saw a legitimate target knocking the Carlisle great out of the game would bring glory both to the Cadets and to Eisenhower The symbolism of this matchup was lost on neither Carlisle s footballers nor on Indians across the country who followed their exploits Less than a quarter century after Wounded Knee the Indians would confront on the playing field an emblem of the very institution that had slaughtered their ancestors on the field of battle and in defeating them possibly regain a measure of lost honor Filled with colorful period detail and fascinating insights into American history and popular culture *Carlisle vs Army* gives a thrilling authoritative account of the events of an epic afternoon whose reverberations would be felt for generations *Carlisle vs Army* is about football the way that *The Natural* is about baseball Jeremy Schaap author of *I Floodlights and Touchlines: A History of Spectator Sport* Rob Steen, 2014-07-31 Enthralling history of how sport has seeped into and enriched languages and lives from Afghanistan to Alaska and Zambia to Zermatt *Assembly* West Point Association of Graduates (Organization), 1995 *No Game for Boys to Play* Kathleen Bachynski, 2019-11-25 From the untimely deaths of young athletes to chronic disease among retired players roiling debates over tackle football have profound implications for more than one million American boys some as young as five years old who play the sport every year In this book Kathleen Bachynski offers the first history of youth tackle football and debates over its safety In the postwar United States high school football was celebrated as a moral sport for young boys one that promised and celebrated the creation of the honorable male citizen Even so Bachynski shows that throughout the twentieth century coaches sports equipment manufacturers and even doctors were more concerned with saving the game than young boys safety even though injuries ranged from concussions and broken bones to paralysis and death By exploring sport masculinity and citizenship Bachynski uncovers the cultural priorities other than child health that made a collision sport the most popular high school game for American boys These deep rooted beliefs continue to shape the safety debate and the possible future of youth tackle football
