Pop Rock Gender Swap Gender Transformation Erotic Romance

Ian Peddie

Pop Rock Gender Swap Gender Transformation Erotic Romance:

Let's spend the night together Subcultures Network, 2023-11-07 Let's spend the night together explores how sex and sexuality provided essential elements of British youth culture in the 1950s through to the 1980s. It shows how the underlying sexual charge of rock n roll and pop music more generally was integral to the broader challenge embodied in the youth cultures that developed after World War Two. As teenage hormones rushed to move to the music and take advantage of the spaces opening up through consumption, education and employment, so the boundaries of British morality and cultural propriety were tested and often transgressed. Be it the assertive masculinity of the teds or the lustful longings of the teeny bopper, the gender bending of glam or the subterranean allure of an underground club disco, the free love of the 1960s or the punk provocations in the 1970s, sex was forever to the fore and more often than not underpinned the moral panics that fitfully followed any cultural shift in youthful style and behaviour. Drawing from scholarship across a range of disciplines, the Subcultures Network explores how sex and sexuality were experienced, presented, conferred, responded to and understood within the context of youth culture, popular music and social change in the period between World War Two and the advent of AIDS. The essays locate sex, music and youth culture in the context of post-war Britain, with a widening and ever more prevalent media amidst the loosening bonds of censorship in a society shaped by changing patterns of consumption and the emergence of the teenager, existing as Jeff Nuttall famously argued under the shadow of the nuclear bomb. **Gender in**

Canada Adie Nelson, Barrie William Robinson, 1998 **More Than Illustrated Music** Kathrin Dreckmann, Elfi Vomberg, 2023-02-23 The genre of the video clip has been established for more than thirty years, mainly served by the sub-genres of video art and music video. This book explores processes of hybridization between music video, film and video art by presenting current theoretical discourses and engaging them through interviews with well-known artists and directors, bringing to the surface the crucial questions of art practice. The collection discusses topics including postcolonialism, posthumanism, gender, race and class, and addresses questions regarding the hybrid media structure of video, the diffusion between content and form, art and commerce, as well as pop culture and counterculture. Through the diversity of the areas and interviews included, the book builds on and moves beyond earlier aesthetics-driven perspectives on music video.

Erotic Revolutionaries Shayne Lee, 2010-08-04 Why is there no pro-sex contingency in black feminist scholarship? Why do so few African American scholars expound on issues celebrating female sexual pleasure? Perhaps the answers to these questions reside within a discursive matrix of sexual repression commonly referred to as the politics of respectability and its rein on black sexual politics. In *Erotic Revolutionaries: Black Women Sexuality and Popular Culture*, sociologist Shayne Lee steers black sexual politics toward a more sex-positive trajectory. Introducing feminist analysis to a conceptual ménage à trois of scripting theory, media representation and black sexual politics, Lee considers the ways in which the feminist quest for social and sexual equality can delve into popular culture to see the production of subversive scripts for female sexuality and erotic

agency Whereas most feminist scholarship underscores how sexual representations of black women in media are exploitative and problematic Lee portrays black female celebrities like Janet Jackson Beyoncé Karrine Steffans Zane Tyra Banks Juanita Bynum Sheryl Underwood and many more as feminists of sorts who afford women access to cultural tools to renegotiate sexual identity and celebrate sexual agency and empowerment Erotic Revolutionaries navigates the uncharted spaces where social constructionism third wave feminism and black popular culture collide to locate a new site for sexuality studies that is theoretically innovative politically subversive and stylistically chic

Popular Music and Human Rights Professor Ian Peddie, 2013-01-28 Popular music has long understood that human rights if attainable at all involve a struggle without end The right to imagine an individual will the right to some form of self determination and the right to self legislation have long been at the forefront of popular music's approach to human rights In Eastern Europe where states often tried to control music the hundreds of thousands of Estonians who gathered in Tallinn between 1987 and 1991 are a part of the singing revolutions that encouraged a sense of national consciousness which had years earlier been crushed when Soviet policy declared Baltic folk music dead and ordered its replacement with mass song Examples of this nature where music has the power to enlighten to mobilize and perhaps even to change suggest that popular music's response to issues of human rights has and will continue to be profound and sustained This is the second volume published by Ashgate on popular music and human rights the first volume covered British and American music Contributors to this significant volume cover topics such as Movimento 77 Nepal's heavy metal scene music and memory in Mozambique and Swaziland hybrid metal in the muslim world folksong in Latvia popular music in the former Yugoslavia indigenous human rights in Australia Víctor Jara protest and gender in Ireland rock and roll in China and the anti rock campaigns and the Orange Revolution in Ukraine

Popular Music and Human Rights Ian Peddie, 2011 Popular music has long understood that human rights if attainable at all involve a struggle without end The right to imagine an individual will the right to some form of self determination and the right to self legislation have long been at the forefront of popular music's approach to human rights At a time of such uncertainty and confusion with human rights currently being violated all over the world a new and sustained examination of cultural responses to such issues is warranted In this respect music which is always produced in a social context is an extremely useful medium in its immediacy music has a potency of expression whose reach is long and wide This two volume set comprises Volume I British and American Music and Volume II World Music

Popular Music and Human Rights: British and American music Ian Peddie, 2011 Popular music has long understood that human rights if attainable at all involve a struggle without end The right to imagine an individual will the right to some form of self determination and the right to self legislation have long been at the forefront of popular music's approach to human rights At a time of such uncertainty and confusion with human rights currently being violated all over the world a new and sustained examination of cultural responses to such issues is warranted In this respect music which is always produced in a social context is an

extremely useful medium in its immediacy music has a potency of expression whose reach is long and wide Contributors to this significant volume cover artists and topics such as Billy Bragg punk Fun da Mental Willie King and the Liberators Hedwig and the Angry Inch the Anti Death penalty movement benefit concerts benefit albums Gil Scott Heron Bruce Springsteen Wounded Knee and Native American political resistance Tori Amos Joni Mitchell as well as human rights in relation to feminism A second volume covers World Music Edging Into the Future Veronica Hollinger,Joan Gordon,2002-04 The savvy critical essays in this provocative collection investigate the interface between science fiction and postmodern culture Highly recommended for readers at all levels Choice **Humanities Index** ,1995 **New York Magazine** ,1997-12-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
