Taste Recipes John De Kleine,2009-05 A very different kind of a cook book Most recipes in this book date back to a time when cholesterol was unknown and a triglyceride was thought of as a creature that walked with the dinosaurs A time when food was eaten because it tastes good rather than if it was healthy or not If it didn t taste good you didn t eat it consider small children and strained spinach or peas These recipes are not for the diet or health conscious person as they contain lots of fat butter meat drippings lard and such Also they should not to be eaten as a daily fare because most of them are considered to be unhealthy at this point in time However when you get a craving for something that tastes better than cardboard sawdust leather or mush it s time to break out these recipes When you finish one of these meals you ll know that you ve eaten something that really satisfies your taste buds without all the doctoring of spices to add flavor Now you can go back to healthy diet foods until the urge hits you again to have a really great tasting meal **The Slow Cooker Recipe**

A great bonding experience for the family is the mere act of being together around the dining table without anyone glued to their smartphones and other forms of distractions. Obviously, this can't possibly happen all the time. That's the reason why this book **123 Pork Crock Pot Recipes** comes in. Let's discover right now **123 Awesome Pork Crock Pot Recipes**. The recipes in the book **123 Pork Crock Pot Recipes** are the result of the long years I've spent with my mother and sisters helping them cook a lot of main dishes. What I learned about cooking I mostly picked up from observing and asking questions, which led to something good. Each time I asked my mom how she prepared her specialty dish, she would share with me how she did it. But I've neither recorded nor tested her recipes. Beneath her piles of index cards filled with recipes plus handwritten notes, cookbooks, and cut-out magazine pages with recipes, my mom has barely touched a precious collection of our family favorites forever etched in our memories. Most of the meals we prepare in the kitchen reflect so much about our family's past. These are the foods made in my many homes in numerous countries throughout the years. People say that variety is the spice of life. And so you'll find here a global viewpoint on both healthy and indulgent food choices. From my family's table to yours, may you have a great time bonding with your family and making fond memories together. You also see more different types of recipes such as **Pork Chop Cookbook**, **Pulled Pork Cookbook**, **Homemade Pasta Recipe**, **Slow Cooker Mexican Cookbook**, **Pork Roast Recipe**, **Pork Tenderloin Recipe**, **Ham Recipes**. DOWNLOAD FREE eBook PDF included FULL of ILLUSTRATIONS for EVERY RECIPES right after conclusion. I really hope that each book in the series will be always your best friend in your little kitchen. Let's live happily and cook main dish every day. Enjoy the book. **The Healthy Slow Cooker Cookbook** Martha Stephenson, 2016-06-22.
