The Omaha Steaks Good Life Guide and Cookbook, 1985 Bull Cook and Authentic Historical Recipes and Practices
George Leonard Herter, Berthe E. Herter, 1963 Sue's Recipes Susan Hutt, 2012-11-14 Susan Hutt has always loved to cook as far back as she can remember. As a child she wanted to help her mother in the kitchen and witness her creativity with the little she had to cook with. She always knew that when she grew up she would be able to cook just like her. So throughout the years she gathered lots of cooking knowledge and recipes along the way from her grandmother, aunts, and friends. The years of written recipes scribbled on pieces of paper that were piled up in a box was overwhelming but now are finally typed and put together in this book of so many recipes cooked with lots of love for all of you to enjoy. It is what she would call an all purpose cookbook because it has everything you could possibly imagine in it. *Culture and Cooking* Catherine Owen, 2008-07 Catherine Owen's 1881 *Culture and Cooking* is not a recipe book per se but rather an attempt to help readers understand food. She explains the processes of why recipes work and aims to elevate cooking in America to an art form rather than a utilitarian daily process of feeding the body. The recipes she does provide are written like a work of literature rather than a listing of ingredients and directions to give readers a thorough understanding of cookery so that American cooks will begin like the French to see cooking as an art. **In the Hands of a Chef** The Culinary Institute of America (CIA), 2007-12-26 A new approach to the CIA's Professional Chef's Knife Kit. *In the Hands of a Chef* reveals how professional chefs use their revered kitchen tools in restaurants and at home. This book identifies the types of tools necessary in the kitchen such as knives, mixing tools, gadgets, and measuring tools. The book teaches a tool's most popular yet often highly specialized uses, the history of a tool, types of materials used in making it, and advances in technology that have improved a tool. The book gives readers a personal look at chefs' methods for using these tools and a sense of the personal attachment and even respect they have for them. Readers will also learn the parts of kitchen tools, characteristics of a good knife, and what to look for when purchasing knives and other kitchen tools. *In the Hands of a Chef* features 112 new black and white photographs that convey the proper way to hold the tool or how it appears when in the hands of a chef. *Catherine Owen's New Cook Book ...* Catherine Owen, 1885 *Masala Farm* Suvir Saran, Raquel Pelzel, Charlie Burd, 2012-05-04 An acclaimed Indian chef shares the life and flavor of his New York State farm in this beautifully illustrated seasonal cookbook. Suvir Saran, an Indian chef and consummate city dweller, took an unusual leap when he decided to buy a farm in upstate New York. But that leap led to some fascinating stories and some delicious results. In *Masala Farm*, Saran invites readers into his kitchen and offers a fresh twist on farm-to-table cooking. A steady stream of houseguests, the challenges of animal ownership, and the joys of being a part of a small town community supply the stories woven throughout this volume. Sixty recipes are organized by season. Exquisite photography captures the lusciousness of Saran's food and the beauty of the countryside.
