The To-Do List Mike Gayle, 2009-12-24. Would a proper adult ignore the spilt milk under the fridge for weeks? Would a proper adult take three years to post a solitary Christmas card? Would a proper adult have decades-old underwear in active service? Mike Gayle is nowhere near being a proper adult even though his tenth wedding anniversary is looming, his second child is due any moment and in less than twenty-four hours he is going to be officially closer to forty than he is to thirty. Appalled by this lack of maturity, Mike draws up a To-Do list containing every single item he's been meaning to do but just keeps putting off. He's got a lot of stuff that needs doing. But unlike previous To-Do lists, he promises himself that this one will actually get DONE. And along the way, Mike will learn stuff about life: 323 love, 999 friends, 1004 and family, 9 and finally work out what it means to be a grown-up. 846
