Recordable Storybooks Amazon Uk:

Developing Early Science Skills Outdoors Marianne Sargent, 2020-01-09 Developing Early Science Skills Outdoors provides practitioners with practical planning for how to develop and enhance the outdoor area to facilitate science learning. The activities throughout the book are low cost and easy to set up, aiming to reassure practitioners and give them confidence to plan more scientific learning experiences outdoors. This is further supported with planning guidance and resource ideas as well as advice on observation and assessment including suggestions for how to reduce the paperwork burden and a useful observation template. The book includes an introduction to each method explaining why it is important and outlining the fundamental skills and concepts that underpin it, ideas for adult led and adult initiated activities that aim to develop children's early knowledge, skills and understanding, suggestions for how to enhance continuous outdoor provision so that it promotes the use of each method of scientific enquiry, pointers and tips about teaching science in the early years and ideas for how to involve parents and carers.

The Wonder Girls J.M. Carr, 2019-10-04 Unlikely friends, despicable villains and deadly peril: can a renegade gang stop the Blackshirts sending orphans to Hitler? The Wonder Girls is a kick-ass historical adventure with kindness, inclusion and hope at its heart. ENGLAND 1936 The Blackshirts are marching and Londoners are on the streets resisting them. In the chaos, a terrified golden-haired girl pulls street thief Baby from certain death. But Blackshirts overpower them and seize the girl. Baby tracks the Blackshirts to the coast where she finds a railway carriage hidden in brambles, a gang of renegade girls and thirteen-year-old Ida trying to protect her golden-haired little sister. The Wonder Girls is a fast-paced, full-hearted total romp of an adventure. The story starts with Baby being saved from the crush of a Blackshirts march by a golden-haired angel, a girl who promptly gets kidnapped by sinister grown-ups in a fancy car. Baby, fiercely loyal and warm-hearted, determines to save her Goldilocks girl. She and Fingers set off from London to the south coast town of Nettlefield in hot pursuit of Baby's saviour. Meanwhile, Ida is trying to come to terms with the fact her Mum is soon to die while also worried sick about losing her little sister Bonnie to the terrifying and mysterious Nettlefield Grange Orphanage run by Mrs Bullar. Alone, neither Baby nor Ida are equipped to deal with the reality of what's going on in the orphanage. Together with the help of a cast of marvellously colourful characters, they might just stand a chance. Any child who loves stories of adventure, chutzpah and heart will rattle through this book and be desperate for more. In short, The Wonder Girls is a real winner of a book. Georgina Lippiet in common.co.uk This story is full of heart-racing moments, incredible bravery and girl power in the face of fascism. I was gripped from the first chapter and my heart was pounding, not daring to turn the page at some points but always feeling that I wanted more. It is a fabulous story and I have high hopes for it in this golden age of Children's fiction. Erin Lyn Hamilton myshelvesarefull.wordpress.com an engaging and dramatic read which is crying out to be adapted for children's TV. Julie Ballard on Goodreads I read an early draft of this was BLOWN AWAY. Can't wait to read the full story. Emma Carroll on Twitter Glorious and life-affirming girl power 1930s style. These girls will wriggle their way into your heart.

Sue Wallman author Egmont The Wonder Girls is a delightful adrenaline filled adventure that shines a light on a very dark aspect of British history whilst bringing a good dose of fun with its eccentric cast yet not shying away from difficult themes In The book J M Carr expertly balances the emotional personal stories of the individual characters and peril whilst maintaining a historical setting that is so real it is almost tangible Sally Poyton Space on the Bookshelf blogspot com it is the focus on family friendship and loyalty that makes a lasting impression Throughout the interwoven story lines of Baby Fingers and and Sophie at the start and following Ida Barnes next the whole tale is fundamentally warmhearted There is peril and girl power and fascist louts but the core is both humane and full of hope K M Lockwood kmlockwood com writersreviews An Elixir of Love Shyam Keshariya,2020-07-08 AN E L I X I R OF LOVE is a beautiful creation which is a collection of poem letters short conversations quotes and write ups based on different stages of love such as friendship romance longing procrastination pain and even hate With the beautiful use of words I have managed to acquire all the emotions which a person goes through after falling in love After reading this a person can cherish or rather experience all this emotions and most importantly can grow with them This is a light yet deep source for readers in teen age or let us rather says the ones who have fallen in love Readers would be able feel the unconditional love the excruciating heart break the procrastination about the longing from the dear ones and the rage caused by hate after reading the book It s a book which people would love to read and many would even be able to relate It s a book which surrounds around love and shows the magic it has It would touch your soul if you feel the emotions it carries At last I would just say EVERY WRITING DEFINES A STORY WHICH NEEDS TO BE HEARD

Unbloc Satish Kataria,2020-07-13 UNBLOC 21 Transformational Thoughts to Unblock Success and Build Your Own Paths talks about various psychological and inner drive factors which would help anyone wanting to venture on their own to strengthen their mindset and instill confidence It covers range of subjects varying from relationships attitude building developing mind strength going beyond possibility myopia handling rejection building character and others The chapters are derived by personal experiences of its author Satish Kataria who has spent more than 2 decades in the Indian startup ecosystem Further more it also comprises of leranings from some of India s entrepreneurial legends such as Vijay Shekhar Sharma Founder PayTM Annurag Batra Managing Editor Business World and others **British Humanities Index** ,2009

Carved Words Of Creative Minds Kartik Gupta , Bharti Pandey,2019-12-19 The book is a monolingual anthology of writers from all over the world consisting of beautiful proses and poems along with the garnishing of one liners which will rather hit harder than the others It is a combined effort put forward by 66 different immensely talented writers This book holds all the insights of love life relationships societal dilemmas demands and norms and every writer has put on their best of perspectives through their writings This book unleashes all kinds of imagination and will take you to a different level of fulfillment and joy

Hi Five! Mayur Jain,2020-08-03 Hi five is the best way to understand self and introduce new changes which will create a better experiential lifestyle It is the construction manual with a blueprint to develop and grow both professionally and

personally The self growth will be visible once an individual starts absorbing the fundamentals mentioned in the book Each page is good nutrition to self development vertically This book will help you to 1 Build confidence in yourself by mastering control over self 2 Gain credibility and increase self worth with clarity of thoughts 3 Increase love for yourself 4 Build trust by developing mutual respect with people around you 5 Accomplish apex with ease and efficiency 6 Increase your influence your prestige your ability to get things done the fastest way 7 Helps you to be extraordinary in what you do and how you do 8 Increase your popularity and worth 9 Makes you think like a champion and win everything Mindset building 10 Awakens the leader in you To fight the world it s important to convince SELF and Develop Courage to conquer from within This book does the same for you Journey with Small Steps Creates Big Changes Which Starts within *Effective Cybersecurity Operations for Enterprise-Wide Systems* Adedoyin, Festus Fatai, Christiansen, Bryan, 2023-06-12 Cybersecurity or information technology security I T security is the protection of computer systems and networks from information disclosure theft of or damage to their hardware software or electronic data as well as from the disruption or misdirection of the services they provide The field is becoming increasingly critical due to the continuously expanding reliance on computer systems the internet wireless network standards such as Bluetooth and Wi Fi and the growth of smart devices which constitute the internet of things IoT Cybersecurity is also one of the significant challenges in the contemporary world due to its complexity both in terms of political usage and technology Its primary goal is to ensure the dependability integrity and data privacy of enterprise wide systems in an era of increasing cyberattacks from around the world *Effective Cybersecurity Operations for Enterprise Wide Systems* examines current risks involved in the cybersecurity of various systems today from an enterprise wide perspective While there are multiple sources available on cybersecurity many publications do not include an enterprise wide perspective of the research The book provides such a perspective from multiple sources that include investigation into critical business systems such as supply chain management logistics ERP CRM knowledge management and others Covering topics including cybersecurity in international business risk management artificial intelligence social engineering spyware decision support systems encryption cyber attacks and breaches ethical hacking transaction support systems phishing and data privacy it is designed for educators IT developers education professionals education administrators researchers security analysts systems engineers software security engineers security professionals policymakers and students *Music Production* Michael Zager, 2012 *Music Production* serves as a roadmap for navigating the continuous changes in the music industry and music production technologies From dissecting compositions to understanding studio technologies from coaching vocalists to arranging and orchestration from musicianship to m **Wildflowers In The Wind** Shreya Sharon Kujur, 2020-07-23 By definition a wildflower is a flower that grows freely resiliently and radiantly But it is actually the strokes of the wind that really test the flower s resilience to grow freely and beautifully In this collection of poems the author portrays the different phases and emotions that we wildflowers experience and different tests wind that we endure in life Developing the

Intuitive Executive Jay Liebowitz, 2023-10-19 The leading traits of executives often include creativity and innovation Research shows that intuition can significantly enhance these traits Developing intuitive executives and honing intuition coupled with the ability to apply data and evidence to inform decision making is the focus of Developing the Intuitive Executive Using Analytics and Intuition for Success Some researchers call the complement of applying data analytics to intuition as quantitative intuition rational intuition or informed intuition Certainly in today's data driven environment analytics plays a key role in executive decision making However an executive's many years of experiential learning are not formally considered as part of the decision making process Learning from both failures and successes can help fine tune intuitive awareness what this book calls intuition based decision making Research also shows that many executives do not trust the internal data quality in their organizations and so they rely on their intuition rather than strictly on data This book presents the work of leading researchers worldwide on intuition in the management and executive domain Their chapters cover key issues trends concepts techniques and opportunities for applying intuition as part of the executive decision making process Highlights include Using intuition to manage new opportunities Intuition in medicine Rules based on intuition Balancing logic and intuition in decision making Smart heuristics to manage complexity Intuition and competitiveness Intuitive investment decision making across cultures Showing how intuition in executive decision making should play an important role this book enables managers to complement their knowledge gained from experience with analytics to improve decision making and business success
