Russia And Development Capitalism Civil Society And The State

Richard Bailey

Russia And Development Capitalism Civil Society And The State:

Russia and Development Charles Buxton, 2014-12-11 Unique and insightful this book takes a look at Russia's development through the Tsarist and Soviet periods. Rather than make the more familiar comparisons between Russia and the West, Russia and Development focuses on political and social mobilization in adjacent Central Asia. It examines the role of local government and civil society in development as well as popular responses to the policies of Putin and Medvedev aimed at modernizing Russia and forging a new Eurasia alliance in Russia's development neighbourhood. The book uses local sources and case studies to pose important questions about the role of empire, revolution, nationalism and democratization in the twenty-first century. With unique insider knowledge, Charles Buxton ultimately places Russia's current development model in an international context where Russia is increasingly becoming a competitor to Western-led development practices. Essential reading for anyone interested in the region or development thought and practice.

Civil Society Sustainability Brian Pratt, Rachel Hayman, 2018-04-19 This publication focuses on the challenges faced by civil society to remain sustainable in response to major changes in the global political, economic and social environment. Academics and practitioners from all over the world have contributed original articles, practical notes and viewpoints which critically examine the ways in which civil society organisations are affected by and are responding to political and financial dynamics. These include reductions in traditional external aid for civil society activities but also the growth of new forms of funding through social enterprise, philanthropy, fundraising and contractual relationships with national government. The operating environment for civil society is a central theme, with authors exploring the legitimacy and credibility of different types of civil society organisation as well as the effects of legislative and regulatory restrictions on their sustainability. The contributions finally examine new opportunities for civil society and the prospects for organisations to emerge that are less dependent on foreign aid funding that are more embedded in local communities and that can bring about lasting and sustained social and economic change. This book was originally published as a special issue of *Development in Practice*.

Tajikistan on the Move Marlene Laruelle, 2018-05-25 The southernmost and poorest state of the Eurasian space, Tajikistan collapsed immediately upon the fall of the Soviet Union and plunged into a bloody five-year civil war (1992-1997) that left more than 50,000 people dead and more than half a million displaced. After the 1997 Peace Agreements, Tajikistan stood out for being the only post-Soviet country to recognize an Islamic party, the Islamic Renaissance Party of Tajikistan (IRPT), as a key actor in the civil war as well as in postwar reconstruction and democratization. Tajikistan's linguistic and cultural proximity to Iran notwithstanding, the balance of external powers over the country remains fairly typical of Central Asia, with Russia as the major security provider and China as its principal investor. Another specificity of Tajikistan is its massive labor migration flows toward Russia. Out of a population of eight million, about one million work abroad seasonally, one of the highest rates of departure in the world. Migration trends have impacted Tajikistan's economy and rent mechanisms; half of the country's GDP comes from migrant

remittances a higher share than anywhere else in the world However it is in the societal and cultural realms that migration has had the most transformative effect Migrants cultural and societal identities are on the move with a growing role given to Islam as a normative tool for regulating the cultural shock of migration Islam and especially a globalized fundamentalist pietist movement regulates both physical and moral security in workplace and other settings and brings migrants together to make their interactions meaningful and socio politically relevant It offers a new social prestige to those who work in an environment seen as threatening to their Islamic identity The first section of this volume investigates the critical question of the nature of the Tajik political regime its stability legitimacy mechanisms and patterns of centralization In the volume s second part we move away from studying the state to delve into the societal fabric of Tajikistan shaped by local rural specificities and social vulnerabilities in the health sector and gender relationships The third section of the volume is devoted to identity narratives and changes While the Tajik regime works hard to control the national narrative and the interpretation of the civil war society is literally and figuratively on the move as migration profoundly reshapes societal structures and cultural values

Russian Civil Society: A Critical Assessment Alfred B. Evans, Laura A. Henry, Lisa Sundstrom, 2016-07-22 A vibrant civil society characterized by the independently organized activity of people as citizens undirected by state authority is an essential support for the development of freedom democracy and prosperity Thus it has been one important indicator of the success of post communist transitions This volume undertakes a systematic analysis of the development of civil society in post Soviet Russia An introduction and two historical chapters provide background followed by chapters that analyze the Russian context and consider the roles of the media business organized crime the church the village and the Putin administration in shaping the terrain of public life Eight case studies then illustrate the range and depth of actual citizen organizations in various national and local community settings and a concluding chapter weighs the findings and distills comparisons and conclusions

Civil Society Before Democracy Nancy Bermeo, Philip Nord, 2000-11-15 Bringing together historians and political scientists this unique collaboration compares nineteenth century civil societies that failed to develop lasting democracies with civil societies that succeeded Much of the current literature on the connection between civil society and consolidating democracy focuses exclusively on single contemporary polities that are ever changing and uncertain By studying historical cases the authors are able to demonstrate which civil societies developed in tandem with lasting democracies and which did not Contrasting these two sets of cases the book both enlightens readers about individual countries and extracts lessons about the connections between civil society and democracy in contemporary times Above all the authors ask the vital but under researched question OHow and why does democratic civil society develop O

Civil Society and Global Finance Albrecht Schnabel, Jan Aart Scholte, 2003-09-02 This key text brings together twenty activists officials and researchers from the five continents to discuss this burning question of today s globalization debate Providing rare authoritative analyses by those who deal with the issues first hand

Civil Society and Global Finance is rich in insight and policy ideas for decision makers students and concerned citizens

Civil Society and Fanaticism Dominique Colas,1997 Includes bibliographical refererences and index **Civil Society, Pluralism, and Universalism** Eugeniusz Górski,2007 **Russia's Revolution from Above, 1985-2000** Gordon Hahn,2018-04-27 The fall of the Soviet communist regime in 1991 offers a challenging contrast to other instances of democratic transition and change in the last decades of the twentieth century The 1991 revolution was neither a peaceful revolution from below as occurred in Czechoslovakia nor a negotiated transition to democracy like those in Poland Hungary or Latin America It was not primarily the result of social modernization the rise of a new middle class or of national liberation movements in the non Russian union republics Instead as Gordon Hahn argues the Russian transformation was a bureaucrat led state based revolution managed by a group of Communist Party functionaries who won control over the Russian Republic RSFSR in the mid 1990s Hahn describes how opportunistic Party and state officials led by Boris Yeltsin defected from the Gorbachev camp and proceeded in 1990 91 to dismantle the institutions that bound state and party These revolutionaries from above seized control of political economic natural and human resources and then separated the party apparatus from state institutions on Russian Republic territory With the failed August 1991 hard line coup Yeltsin banned the Communist Party and decreed that all Union state organs including the KGB and military were under RSFSR control In Hahn s account this mode of revolutionary change from above explains the troubled development of democracy in Russia and the former Soviet republics Hahn shows how limited mobilization of the masses stunted the development of civil societies and the formation of political parties and trade unions with real grass roots The result is a weak society unable to nudge the state to concentrate on institutional reforms society needs for the development of a free polity and economy Russia s Revolution from Above goes far in correcting the historical record and reconceptualizing the Soviet transformation It should be read by historians economists political scientists and Russia area scholars Russia's Liberal Project Marcia A. Weigle,2010-11-01 A study of contemporary politics in Russia assessing the attempted transition from totalitarianism to liberal democracy It shows that although liberal institutions have been tentatively established the weak social and cultural supports threaten the success of Russia s liberal project *The Putin Paradox* Richard Sakwa,2020-02-06 Vladimir Putin has emerged as one of the key leaders of the twenty first century However he is also recognized as one of the most divisive Abroad his assertion of Russia s interests and critique of the western dominated international system has brought him into conflict with Atlantic powers Within Russia he has balanced various factions within the elite intelligentsia alongside the wider support of Russian society So what is the Putin paradox Richard Sakwa grapples with Putin s personal and political development on both the international political scene and within the domestic political landscape of Russia This study historicizes the Putin paradox through theoretical historical and political analysis and in light of wider developments in Russian society Richard Sakwa presents the Putin paradox as a unique regime type balancing numerous contradictions in order to adapt to its material

environment while maintaining sufficient authority with which to shape it **Encyclopedia of Violence, Peace, and Conflict**, 2008-09-05 The 2nd edition of Encyclopedia of Violence Peace and Conflict provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully Instead we have increased the lethality of our combat through revolutions in weapons technology and military training The Encyclopedia of Violence Peace and Conflict is designed to help us to take stock of our knowledge concerning these crucial phenomena Ten years on the need for an authoritative and cross disciplinary approach to the great issues of violence and peace seems greater than ever More than 200 authoritative multidisciplinary articles in a 3 volume set Many brand new articles alongside revised and updated content from the First Edition Article outline and glossary of key terms at the beginning of each article Entries arranged alphabetically for easy access Articles written by more than 200 eminent contributors from around the world The Growth Paths of State-Society Relations Mohamed Ismail Sabry, 2023-09-18 Combining case studies with empirical and theoretical game analysis Mohamed Ismail Sabry presents four State Business Labor Relations SBLR modes for considering the power relationships at play in the interactions between government business and society **Building Democracy and Civil Society East of the Elbe** Sven Eliaeson, 2006-04-18 This book explores the idea of civil society and how it is being implemented in Eastern Europe The implosion of the Russian empire fifteen years ago and the new wave of democratization opened a new field of inquiry The wide ranging debate on the transition became focused on a conceptual battle the question of how to define civil society Because totalitarian systems shun self organization real existing civil society barely existed East of the Elbe and the emergence of civil society took unusually complex and puzzling forms which varied with national culture and reflected the deep historical past of these societies This insightful text relates the concept of civil society and developments in Eastern Europe to wider sociological theories and makes international comparisons where appropriate It discusses particular aspects of civil society and examines the difficulties of establishing civil society It concludes by assessing the problems and prospects for civil society in Eastern Europe going forward *Civil Society, Religion, and the Nation*, 2022-05-20 Japan Russia and Turkey are major examples of

countries with different ethnic religious and cultural background that embarked on the path of modernization without having been colonized by a Western country In all three cases national consciousness has played a significant role in this context The project of Modernity is obviously of European origin but is it essentially European Does modernization imply loss of a country's cultural or national identity If so what is the fate of the modernization process in these cases The presence of the idea and reality of civil society can be considered a real marker of Modernity in this respect because it presupposes the development of liberalism individualism and human rights But are these compatible with nationalism and with the idea of a national religion These questions are the more pressing as Japan is considered part of the Western world in many respects and Russia and Turkey are defining their relation to the European Union in different ways An investigation of these three countries set off against more general reflections sheds light on the possibilities or limitations of modernization in a non European context

State-building in Russia Gordon B. Smith, 1999 The challenge of a new democracy the author argues is the creation of effective and authoritative political institutions Focusing on Yeltsin's Russia this book examines this question with reference to democratization national identity legal reform and other issues Russia's Stillborn Democracy?

Graeme J. Gill, Roger D. Markwick, 2000-03-23 The decade and a half since Gorbachev came to power has been a tumultuous time for Russia It has seen the expectations raised by perestroika dashed the collapse of the Soviet superpower and the emergence of a new Russian state claiming to base itself on democratic market principles It has seen a political system shattered by a president turning tanks against the parliament and then that president configuring the new political structure to give himself overwhelming power These upheavals took place against a backdrop of social dislocations as the Russian people were ravaged by the effects of economic shock therapy This book explains how these momentous changes came about and in particular why political elites were able to fashion the new political system largely independent of the wishes of the populace at large It was this relationship between powerful elites and weak civil society forces which has led to Russian democracy under Yeltsin being still born *The Capitalist Transformation of State Socialism* David Lane, 2013-11-20 David Lane outlines succinctly yet comprehensively the development and transformation of state socialism While focussing on Russia and the countries of Eastern Europe he also engages in a discussion of the Chinese path In response to the changing social structure and external demands he outlines different scenarios of reform He contends that European state socialism did not collapse but was consciously dismantled He brings out the West's decisive support of the reform process and Gorbachev's significant role in tipping the balance of political forces in favour of an emergent ascendant class In the post socialist period he details developments in the economy and politics He distinguishes different political and economic trajectories of countries of the former USSR the New Member States of the European Union and China and he notes the attempts to promote further change through coloured revolutions The book provides a detailed account not only of the unequal impact of transformation on social inequality which has given rise to a privileged business and political class but also

how far the changes have fulfilled the promise of democracy promotion wealth creation and human development Finally in the context of globalisation the author considers possible future political and economic developments for Russia and China Throughout the author a leading expert in the field brings to bear his deep knowledge of socialist countries draws on his research on the former Soviet Union and visits to nearly all the former state socialist countries including China *Lineages of the Absolutist State* Perry Anderson, 2013-03-12 Forty years after its original publication *Lineages of the Absolutist State* remains an exemplary achievement in comparative history Picking up from where its companion volume *Passages from Antiquity to Feudalism* left off *Lineages* traces the development of Absolutist states in the early modern period from their roots in European feudalism and assesses their various trajectories Why didn't Italy develop into an Absolutist state in the same indigenous way as the other dominant Western countries namely Spain France and England On the other hand how did Eastern European countries develop into Absolutist states similar to those of the West when their social conditions diverged so drastically Reflecting on examples in Islamic and East Asian history as well as the Ottoman Empire Anderson concludes by elucidating the particular role of European development within universal history **Civil Society and Government**

Institutions in Armenia Valentina Gevorgyan, 2024-05-09 The book provides an understanding of the three decades of Armenia's young history from the perspective of relations between civil society and government institutions It explores the intricate dynamics between the two entities by explaining the patterns of relations since 1991 to present The book offers a comprehensive exploration for understanding the state society relations and also delves into the historical backdrop of the region Drawing on the latest data the author examines real world practices exemplifying relational variations and the opportunity structures for Armenia to progress by means of its civil society

Unveiling the Magic of Words: A Overview of "**Russia And Development Capitalism Civil Society And The State**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Russia And Development Capitalism Civil Society And The State Introduction

Russia And Development Capitalism Civil Society And The State Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Russia And Development Capitalism Civil Society And The State Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Russia And Development Capitalism Civil Society And The State : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Russia And Development Capitalism Civil Society And The State : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Russia And Development Capitalism Civil Society And The State Offers a diverse range of free eBooks across various genres. Russia And Development Capitalism Civil Society And The State Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Russia And Development Capitalism Civil Society And The State Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Russia And Development Capitalism Civil Society And The State, especially related to Russia And Development Capitalism Civil Society And The State, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Russia And Development Capitalism Civil Society And The State, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Russia And Development Capitalism Civil Society And The State books or magazines might include. Look for these in online stores or libraries. Remember that while Russia And Development Capitalism Civil Society And The State, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Russia And Development Capitalism Civil Society And The State eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer

promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Russia And Development Capitalism Civil Society And The State full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Russia And Development Capitalism Civil Society And The State eBooks, including some popular titles.

FAQs About Russia And Development Capitalism Civil Society And The State Books

What is a Russia And Development Capitalism Civil Society And The State PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Russia And Development Capitalism Civil Society And The State PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Russia And Development Capitalism Civil Society And The State PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Russia And Development Capitalism Civil Society And The State PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Russia And Development Capitalism Civil Society And The State PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download.

Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information.

Are there any restrictions

when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
