word

I am Rose Marilyn . Mianor, just call me Rose. I'm 20 years old and born on the 31th day of May, year 1991. I am the 3rd child among the 3 children of my parents. We live in 200 Kalraya St. Tatalon Quezon City.

I am a 1st year college student of BS Information Technology in System Technology Institute. Dealing with my likes and dislikes: To persons I am usually with or even those I actually don't know who they are, I enjoy company with traits like mine. What matter is I could reflect myself to them. I love friends who also love me. On the other hand, I despise persons who are insensitive (though sometimes, I am one). I hate those who can't appreciate things. I get really emotional whenever this happens.

High School Experience

They say High School Life is the happiest moment of one's life. Maybe because this is the time where you will experience all one's "first".... and I supposed you know what does this "first" means. First love, first heartbreak, first kiss? First lakwat, gimmick or outing with friends, first crush, or the first time of having guts to say I love you to someone, or maybe finding your 1st true friends. wow...

I attended my Secondary Education in San Jacinto National High School. There were lots of memories and I could not tell you much of it that would take me 3 hours or more to tell you the experiences I've been. I thought High school would be same as what I was in Elementary. Me and my friends used to play after school then go home by 3 pm, do our assignments, watch TV, sleep, wake up and go to school again... The normal cycle of studying. But what makes Elementary and High School differ is the weight of maturity and realization that the matter of study now in High school is above-heavier than elementary and should take it seriously. coz what happens to you in this stage would reflect on how and what more you can and cannot do on your future years.

My 2nd year was the most embarrassing part of my High School years. I remember when... [\[continued\]](#)

Write to Be Read Barbara J. Smith, Hope Blecher, 2023-11-03 Write to Be Read is meant to inspire educators to be designers of engaging curriculum specifically targeting ways to improve the teaching of writing in schools today Students tend to write in response to literature whereas the focus of this resource is to help students write material fiction and non fiction that they want to read Students often engage in writing that is more about pleasing the teacher or ticking a homework or assignment box This book challenges many assumptions with reference to traditional models for teaching writing A rich assortment of engaging examples are presented in this book to prompt educators to adapt and construct their own meaningful writing units of study

Next Generation Genres Jessica Singer Early, 2022-11-29 Students need updated writing genres and a real reason to write Evolutions in technology and connectivity have brought about significant changes in the ways writing is produced and shared Yet despite monumental shifts in the practice of writing how we teach writing has remained largely static What we need is a new set of genres for writing instruction genres that will speak to students who are already immersed in rich and multifaceted literacy practices through social media gaming and new technologies Jessica S Early s Next Generation Genres provides an alternative framework for a secondary writing curriculum that places a central emphasis on helping students gain the experience they need to write with confidence in academic and civic life If your students eyes glaze over when they face a standard essay assignment perhaps it s time to let them try writing an infographic or a podcast
