Das, Jiannong Cao, 2019-07-15 The proliferation of powerful but cheap devices together with the availability of a plethora of wireless technologies has pushed for the spread of the Wireless Internet of Things WIoT which is typically much more heterogeneous dynamic and general purpose if compared with the traditional IoT The WIoT is characterized by the dynamic interaction of traditional infrastructure side devices e.g. sensors and actuators provided by municipalities in Smart City infrastructures and other portable and more opportunistic ones such as mobile smartphones opportunistically integrated to dynamically extend and enhance the WIoT environment A key enabler of this vision is the advancement of software and middleware technologies in various mobile related sectors ranging from the effective synergic management of wireless communications to mobility adaptivity support in operating systems and differentiated integration and management of devices with heterogeneous capabilities in middleware from horizontal support to crowdsourcing in different application domains to dynamic offloading to cloud resources only to mention a few The book presents state of the art contributions in the articulated WIoT area by providing novel insights about the development and adoption of middleware solutions to enable the WIoT vision in a wide spectrum of heterogeneous scenarios ranging from industrial environments to educational devices

The presented solutions provide readers with differentiated point of views by demonstrating how the WIoT vision can be applied to several aspects of our daily life in a pervasive manner

The Complete Layman's Guide To End Times Prophecy A Biblical Perspective Robert R. Ramirez,2011-11 Have you looked around at the world and felt as though everything was falling apart America is struggling economically and no one has any answers Unemployment has been over 9% for over two years now It feels like the government is trying to take control of our lives There is speculation that Greece might collapse economically and if they do other European countries will follow suit The Middle East is in total chaos and very unstable with all these people rioting in the streets and wreaking havoc on their respective countries along with dictators falling and rising from power Iran is still telling everyone they are intent on annihilating Israel as they improve their nuclear capabilities As Christians our hope is in Jesus Christ we know that our God is sovereign so all the chaos in the world has no effect on how God brings the world to an end But the end is in sight and people are looking for something certain in this world There are so many questions Christians have regarding End Times Prophecy and do not understand simply because the church has not fulfilled its purpose in rightly dividing the Word of truth for the saints The Complete Layman's Guide to End Times Prophecy will bring together all the questions one might have regarding the end of the world and the return of the Warrior King Jesus Christ to this earth to set up His millennial kingdom This book is clear concise and cogent in its message and attempts to address all End Times Prophecy questions Doctor Robert Ramirez B A Political Science College of Santa Fe B A Pastoral Studies Moody Bible Institute MDiv The Master's Seminary DMin Trinity Southwest University Pastor Alive In Christ Bible Church President and Founder New Mexico Bible Institute Bookstore
