George & Sam Charlotte Moore, 2013-10-08 For the parents, families and friends of the 1 in 250 autistic children born annually in the United States George and Sam provides a unique look into the life of the autistic child Charlotte Moore has three children George, Sam and Jake George and Sam are autistic George and Sam takes the reader from the births of each of the two boys along the painstaking path to diagnosis, interventions, schooling and more She writes powerfully about her family and her sons and allows readers to see the boys behind the label of autism Their often puzzling behavior, unusual food aversions and the different ways that autism affects George and Sam lend deeper insight into this confounding disorder George and Sam emerge from her narrative as distinct, wonderful and at times frustrating children who both are autistic through and through Moore does not feel the need to search for cause or cure but simply to find the best ways to help her sons She conveys to readers what autism is and isn't, what therapies have worked and what hasn't been effective and paints a moving, memorable portrait of life with her boys Charlotte Moore is a writer and journalist who lives in Sussex, England with her three sons She is the author of four novels and three children's books For two years she wrote a highly acclaimed column in the Guardian called Mind the Gap about life with George and Sam She is a contributor to many publications

Why Think? Sara Stanley, 2012-06-07 We live in an ever-demanding world where independent creative thinking is highly prized We want the children of the future to have the skills and confidence to form their own ideas and have the confidence and resilience to speak up for what they believe in Why Think will enable practitioners of children aged 3-11 to confidently turn their classrooms into spaces where thinking, challenging and reasoning become as natural as play In this book the author of But Why explores how to maximise philosophical play through activities, games and parental engagement Why Think includes inspirational case studies, facilitation techniques and information on philosophical concepts A list of recommended books and resources, online quizzes, thinking games and useful web links Question board activities to stimulate daily thinking The book is visually interesting with lots of annotated sessions, drawings, photos and ideas for resources A must for all early years and primary practitioners

Playful Memories Jordana Blejmar, 2016-12-28 This volume examines the blending of fact and fiction in a series of cultural artefacts by post dictatorship writers and artists in Argentina many of them children of disappeared or persecuted parents Jordana Blejmar argues that these works which emerged after the turn of the millennium pay testament to a new cultural formation of memory characterised by the use of autofiction and playful aesthetics She focuses on a range of practitioners including Laura Alcoba Lola Arias Felix Bruzzone Albertina Carri Mar a Giuffra Victoria Grigera Dupuy Mariana Eva Perez Lucila Quieto and Ernesto Sem n who look towards each other s works across boundaries of genre and register as part of the way they address the legacies of the 1976 1983 dictatorship Approaching these works not as second hand or adoptive memories but as memories in their own right Blejmar invites us to recognise the subversive power of self figuration play and humour when dealing with trauma

Children and Propaganda Judith K. Proud, 1995 For the propagandists of Vichy France children were both a target for indoctrination and a potent symbol of the innocent golden age of the French nation which the Revolution nationale was seeking to recover This volume demonstrates how the everyday literature of youth was subverted to incorporate and extol the dominant ideologies of Petain and his supporters and indeed to promote the more overtly anti semitic and aggressive doctrines of Nazi sympathisers in Paris The book shows how the narrative structures and content of children's fairy stories were accorded a privileged position in the propaganda of Vichy France in the expression and very conception of the Marechal's interpretation of the recent past and his vision of the future

A History of Pantomime Maureen Hughes, 2020-01-31 Each Christmas entire families in the UK troop off to see what one could almost say is the obligatory annual entertainment known as Pantomime It is a traditional seasonal way of life for the British envied the world over and one which only the British seem to understand Pantomime serves both to entertain and to introduce each new generation to the joys of theatre in the most unique of ways for this is not a type of theatre one merely watches but one in which the audience participate often in the most seemingly boisterous and bizarre of ways The whole experience is steeped in tradition traditions which only the British seem to

understand which is probably why we are proud to call it a British Experience In A History of Pantomime Maureen Hughes takes a brief look at the history of Pantomime as well as taking a humorous look at some of the above mentioned traditions she also gives a synopsis of each of the well known Pantomimes whilst exploring the eccentric world of the characters who appear in them There is also a short piece on just some of the most well known and loved of the actors who each Christmas take on the part of Pantomime Dames across the UK as well as a look at others who have contributed to this magical world of fun and eccentricity It is thought by some to be frivolous and pointless piece of theatre but a browse through this informative book and you will soon find that Pantomime is an art form all of its own requiring the most dedicated and talented of actors actresses who are prepared to honour and perpetuate this wonderful tradition as it is passed down from one generation to the next As seen in The Telegraph and the Sunday Post Glasgow

Encyclopedia of Folk Heroes Graham Seal, 2001-12-11 A wide ranging and detailed investigation of folk heroes both fictional and historical from the earliest times to the present taken from societies throughout the world as they exist in folktales folksongs customs speech and other folklore genres From Paul Bunyan to Stagolee from Queen Mab to the Tooth Fairy every culture has created folk heroes But as often as not these heroes of the people accomplish their goals with methods that are anything but heroic like the American liar hero Davy Crockett or Galloping Jones the Australian drinker and bank robber Then there s the Irishman Finn Mac Cumhal whose heroism like that of Rip Van Winkle was based on oversleeping In this new collection readers will enjoy a wildly colorful parade of nearly 400 thieves tricksters simpletons and dragon slayers from around the world Despite appearances these heroes perform a crucial social function they allow us to question what is right and what is wrong to challenge what is legal and what is illegal to deal with who has power and who does not and to manage the contradictions and conflicts inherent in all cultures

Marvelous Geometry Jessica Tiffin, 2009-04-19 Explores self consciousness and metafictional awareness in modern fairy tale and its expression across literary fairy tale popular fairy tale and fairy tale film In Marvelous Geometry Jessica Tiffin argues that within twentieth and twenty first century Western literature there exists a diverse body of fairy tale texts that display a common thread of metafictional self awareness The narrative pattern of these texts is self conscious overtly structured variously fantastical and Tiffin argues easily recognized and interpreted by modern audiences In this broadly comparative study she explores contemporary fairy tale fictions found in modern literature and live action and animated film and television to explore fairy tale s ability to endlessly reinvent itself and the cultural implications of its continued relevance Tiffin s skilled analysis draws on the critical fields of postmodernism narratological analysis stucturalism feminism and performativity without relying solely on any one perspective She considers important fairy tale retellings such as the feminist revisions of Angela Carter the postmodern narratives of A S Byatt as well as fairy tales written for children by James Thurber She also investigates both popular and high art films contrasting Cocteau and Neil Jordan to Hollywood romances and Disney and analyzes the differences between animated features and live action productions Finally Tiffin uses

a case study of the recent successful Shrek films to situate the fairy tale in the twenty first century as an endlessly adaptable folk narrative that self consciously and affectionately reflects generic structures and significant cultural assumptions

Marvelous Geometry covers a wide range of familiar and unfamiliar primary texts from a novel and fruitful perspective Tiffin's focus on the metafictional nature of the fairy tale turns readers attention to the genre's narrative structure and aesthetic qualities without ever losing sight of the fairy tale's sociocultural impact as powerful marvelous narrative Scholars of literary and fairy tale studies will enjoy Tiffin's expansive analysis

A Story to Tell George E. Murphy, Maggie Power, 2009 A Story to Tell shows how narrative and particularly oral storytelling can be used to bring literacy to life for primary school children This ancient art provides models and structures for teachers to support children's understanding and use of narrative and reveals fascinating insights into other times and cultures The authors relate how teachers develop their own storytelling skills and the abilities of children to share and retell personal and traditional tales In A Story to Tell performers teachers and students describe how stories from all parts of the world can be enjoyed discussed adapted and performed to develop language and literacy learning They explore the use of stories in humanities religious education and other areas of the curriculum The role of visiting professional storytellers is examined with examples of their work with children and teachers in the UK and Ireland And the student storytellers adaptation and retelling of Asian African and European tales from their own childhood are fascinating and inspiring
