Raffa,2008-09-15 One of the greatest works of world literature Dante Alighieri s The Divine Comedy has despite its enormous  
popularity and importance often stymied readers with its multitudinous characters references and themes But until now  
students of the Inferno have lacked a suitable resource to guide their reading Welcome to Danteworlds the first substantial  
guide to the Inferno in English Guy P Raffa takes readers on a geographic journey through Dante s underworld circle by  
circle from the Dark Wood down to the ninth circle of Hell in much the same way Dante and Virgil proceed in their infernal  
descent Each chapter or region of the book begins with a summary of the action followed by detailed entries significant  
verses and useful study questions The entries based on a close examination of the poet s biblical classical and medieval
