Edward Lyons (Major.),1877 **Jesusland** Joelle Kidd,2025-08-12 An empathetic funny and sharply critical collection of essays exploring the Christian pop culture of the 2000s and its influence on today s politically powerful evangelicalism Braiding relentless curiosity sharp argument and wry comedy Kidd offers a lucid critique of evangelicalism that is always attentive to and respectful of the mysteries of faith This is cultural criticism at its finest I ll read anything Kidd writes Tajja Isen author of *Some of My Best Friends* In 1999 after three years of secular living in Eastern Europe Joelle Kidd moved back to Canada and was enrolled in the strange world of an evangelical Christian school Immediately she found herself in a strange world of upbeat Christian pop music purity education and desperately trendy Bible redesigns trying to make sense of this unfamiliar preteen cultural landscape In *Jesusland* Joelle writes about the Christian pop culture that she was suddenly immersed in from perky girl bands to modest styling tips and draws connections between this evangelical subculture and the mainstream a tense yet reciprocal relationship that both disavows the secular while employing its media markers But none of this was just about catchy songs every abstinence quiz in a teen magazine was laying the foundation for what would become a conservative Christian movement that threatens women s healthcare attacks queer and trans rights and drives present day political division Through nine incisive honest and emotional essays *Jesusland* exposes the pop cultural machinations of evangelicalism while giving voice to aughts era Christian children and teens who are now adults looking back at their time measuring the length of their skirts and asking each other if their celebrity crush was Christian enough With care and generosity *Jesusland* shows us how the conservative evangelical movement became the global power it is today by exploring the pop culture that both reflected and shaped an entire generation of young people *The Bible Manual* Christian Gottlob Barth,1865 **Combat Crew** ,1959-07

Citizens of Memory Silvia R. Tandeciarz,2017-11-10 *Citizens of Memory* explores efforts at recollection in post dictatorship Argentina and the hoped for futures they set in motion The material visual narrative and pedagogical interventions it analyzes address the dark years of state repression 1976 1983 while engaging ongoing debates about how this traumatic past should be transmitted to future generations Two theoretical principles structure the book s approach to cultural recall the first follows from an understanding of memory as a social construct that is always as much about the past

as it is of the present the second from the observation that what distinguishes memory from history is affect These principles guide the study of iconic sites of memory in the city of Buenos Aires photographic essays about the missing and the dictatorship s legacies of violence documentary films by children of the disappeared that challenge hegemonic representations of seventies militancy a novel of exile that moves recollection across national boundaries and a human rights education program focused on memory Understanding recollection as a practice that lends coherence to disparate forces energies and affects the book approaches these spatial visual and scripted registers as impassioned narratives that catalyze a new attentiveness within those they hail It suggests moreover that by inciting deep reflection and an active engagement with the legacies of state violence interventions like these can help advance the cause of transitional justice and contribute to the development of new political subjectivities invested in the construction of less violent futures *Cumulated Index Medicus*,1994 **Character Training** Charles E. Germane,Edith Gayton Germane,1929 *Bulletin* United States. Office of Education,1955 *U.S. Government Films for Public Educational Use* Seerley Reid,1955 **Statistics of Land-grant Colleges and Universities** United States. Office of Education,1955 *Bulletin* Romaine Prior Mackie,1956 **Handbuch der Bibelerklärung. The Bible Manual: an expository and practical commentary on the books of Scripture, arranged in chronological order ...** Christian Gottlob BARTH,1865 *United States Army Aviation Digest* ,1984
