Hernan Cubillos,2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today s world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre **Jesus Is Risen**

David Limbaugh,2018-10-02 Originally confined to a small circle of believers centered in Jerusalem Christianity s stunning transformation into the world s most popular faith is one of history s greatest most miraculous stories In Jesus Is Risen 1 national bestselling author David Limbaugh provides a riveting account of the birth of Christianity Using the Book of Acts and six New Testament epistles as his guide Limbaugh takes readers on an exhilarating journey through the sorrow and suffering as well as the joys and triumphs of the apostles and other key figures as Christianity bursts through the borders of Judea following the death resurrection and ascension of Jesus Christ Limbaugh particularly focuses on the crucial role that the Apostle Paul played in these historic events Facing incredible adversities from arrests to shipwrecks to violent mobs and murder plots Paul overcomes countless obstacles as he travels far and wide to spread the Gospel In Jesus Is Risen you will discover How the apostles themselves disproved modern arguments that early Christians did not believe in Jesus divinity The true story behind the first conversion to Christianity by a Gentile The many underhanded ways Christianity s opponents tried in vain to stifle the Church in its infancy Paul s most effective techniques and arguments for bringing converts to Christ Throughout these pages Limbaugh s passion for the Bible is unmistakable and infectious Replete with deep insights into the actions arguments and challenges of the world s first Christian communities Jesus Is Risen is a faith affirming book for Christians at all stages of their faith walk **The False White Gospel**

Jim Wallis,2024-04-02 NOW A NEW YORK TIMES AND A USA TODAY BESTSELLER Everyone who claims to be Christian or else claims to be upset by Christianity needs to read this book especially politicians using people s supposed faith for their own ends Margaret E Atwood Jim Wallis calls the nation to grow up and he calls us all to fight the love battle to save the soul of America From the Foreword by Eddie S Glaude Jr A major new work by the New York Times bestselling author arguing that the answer to bad religion is true faith that will help refound democracy It is time says Jim Wallis to call out genuine faith specifically the Christian in White Christian Nationalism inviting all who can be persuaded to reject and help dismantle a false gospel that propagates white supremacy and autocracy We need to raise up the faith of all of us and help those who are oblivious stuck and captive to the ideology

and idolatry of White Christian Nationalism that is leading us to such great danger Wallis turns our attention to six iconic texts at the heart of what genuine biblical faith means and what Jesus in the gospels has called us to do It is time to ask anew do we believe these teachings or not This book isn't only for Christians but for all faith traditions and even those with no faith at all When we see a civic promotion of fear hate and violence for the trajectory of our politics we need a civic faith of love healing and hope to defeat it And that must involve all of us religious or not Learning to practice a politics of neighbor love will be central to the future of democracy in America And more than ever the words of Jesus ring You will know the truth and the truth will set you free

Knowing God's Voice Kenneth C. Ulmer, 2011-09-01 If you are doing all of the talking it is likely that you will not hear what others have to say let alone gain from their counsel insight and wisdom if this is true with humans isn't it even more so with God It is difficult sometimes in our era of financial collapse ongoing war and increasing alienation from each other to feel confident that the Almighty takes a personal interest in our lives Knowing God's Voice is the assurance so many people are waiting for God is interested He has a lot to say Readers will learn to discern God's voice from the background noise of internal anxiety and external circumstances and to trust His guidance and revelation even in trying times God is speaking to His people if only they will have ears to hear

Combat Mindset Matei Florin, 2024-07-04 In today's unpredictable and often dangerous world the ability to protect oneself and others is invaluable Developing a combat mindset is essential for those who wish to face potential threats with confidence and decisiveness This book aims to provide you with the comprehensive knowledge techniques and exercises needed to cultivate a mindset prepared for combat Whether you are a member of the military law enforcement a martial artist or a civilian concerned with personal safety this book will guide you through the process of developing a superior combat mindset The Dual Approach to Mental Fortitude This book explores two complementary paths to building a robust combat mindset Scientific Modern Methods Drawing on different researches in psychology neuroscience and tactical training we delve into practical evidence based techniques to enhance mental resilience situational awareness and decision making under stress These methods include cognitive behavioral strategies stress inoculation training and visualization techniques all designed to condition the mind for the rigors of combat Spiritual Practices in Christianity Alongside scientific approaches we delve deeply into the rich spiritual traditions of Christianity This includes prayer meditation and rituals aimed at strengthening the warrior spirit By grounding oneself in faith and invoking divine protection particularly through the intercession of figures like Archangel Michael a warrior can draw on a profound source of inner strength and purpose While these paths may seem distinct they converge in their ultimate goal to prepare the individual to face combat with unwavering courage and clarity Scientific methods provide the tools to understand and manage the psychological demands of combat while spiritual practices offer a transcendent foundation imbuing the warrior with a sense of mission and moral clarity In this book the spiritual dimension is rooted in Christian traditions Christianity offers a wealth of practices aimed at fortifying the soul and spirit From the disciplined

routines of prayer and fasting to the powerful invocations of protection and strength these practices have been honed over centuries by warrior monks and soldiers of faith By integrating these spiritual disciplines a warrior can achieve a state of mental and spiritual preparedness that transcends the physical realm This book is structured to provide a balanced integration of both approaches Each section offers practical exercises meditations and rituals alongside scientific explanations and training techniques Whether you are a soldier a law enforcement officer or anyone seeking to develop a combat ready mindset this guide will equip you with the tools necessary to face any challenge with strength and resilience As you embark on this journey remember that the forging of a combat mindset is not merely about preparing for battle it is about cultivating a way of life that embraces discipline faith and unwavering resolve By harnessing the power of both science and spirituality you will be prepared to face any adversary confident in the strength of your mind and the depth of your spirit May this book serve as a beacon of guidance and inspiration helping you to forge a mindset that is as formidable in peace as it is in war

Just Faith Guthrie Graves-Fitzsimmons,2020-09-15 According to new research from the Public Religion Research Institute there are over 35 million consistently progressive Christians in the United States Majorities of American Christians support reproductive justice and LGBTQ rights Yet they re erased from our public narrative only mentioned as outliers to the fundamentalist norm In *Just Faith* progressive Christian activist and writer Guthrie Graves Fitzsimmons explains how a strong religious left has accompanied every major progressive advance in our society and he resurrects the long but forgotten history of progressive Christianity in the United States that can and must link arms with progressive Muslims and Jews to make the moral case for pluralism human dignity and the common good Graves Fitzsimmons provides a blueprint for this type of resurrection based on his advocacy work at the intersection of religion and American politics Graves Fitzsimmons creates a rallying cry for a bold progressive Christianity that unapologetically fights for its values to impact the biggest political battles of our time from immigration and economic fairness to LGBTQ rights and abortion rights so that progressive Christians will stop lowering their voices when they identify as Christians What kind of Christian are you they ll be asked And they ll even be understood when they reply with a smile The good kind

Baptizing America Brian Kaylor ,Beau Underwood,2024-06-04 In the face of a rising threat to both church and democracy *Baptizing America* provides an urgent examination and an enlightening critique exposing the dangerous undercurrents of Christian Nationalism How can Mainline Protestants spot such practices in their own activities A crucial call to reckon with influences before it s too late Christian Nationalism presents an existential threat to both Christ s church and American democracy Now is the time before it is too late to reckon with all the places its pernicious influence arises On full display in recent elections Christian Nationalism also exists in sanctuaries where an American flag has been displayed for decades when we pledge allegiance to one nation Under God or when the U S is called a Christian nation *Baptizing America* critiques the concept of civil religion arguing that such expressions are far more dangerous than we realize Mainline Protestant congregations will likely recognize

themselves in the overlooked expressions of Christian Nationalism that pop up in the activities of both church and state

Reclaiming Our Forgotten Heritage Curt Landry, 2019-01-15 A timely and groundbreaking take on the roots of the Christian church and its place in the entirety of God's kingdom. There is no better time than now to learn about and become firmly grounded within your spiritual heritage from the foreword by Perry Stone. The early church was made up of Jewish and Gentile followers of Jesus and the church's culture was rooted in Judaism and a Jewish understanding of God's relationship to His people. Over time, however, Christianity became increasingly more Roman than Jewish and the church lost its identity. Rabbi Curt Landry's personal story is remarkably similar. Born to a Jewish mother and a Catholic father, Landry was put up for adoption and for more than thirty years he had no understanding of his heritage, his roots, or who his parents were. But when he discovered the truth of his story, his life changed completely. The key to a life of power and purpose is understanding who you are. In this revelatory book, Curt Landry helps Christians discover their roots in Judaism, empowering them to walk in the revelation of who they really are and who they are born to be. **Reclaiming Our Forgotten Heritage** reveals the mysteries of the church, letting Christians grasp the power that comes from connecting with their true identity. **Authentic**

Christianity and the Dangers of Christian Nationalism Daniel Payne, 2024-07-13 The book explores the concept that true Christianity and Christian Nationalist movements are fundamentally at odds with each other. It delves into the idea that the values and principles of authentic Christianity, such as love, compassion, and inclusivity, are in direct conflict with the exclusionary and divisive nature of Christian Nationalism. The author examines how the rise of Christian Nationalism has distorted the teachings of Jesus and has been used to justify discrimination, prejudice, and violence. The book also discusses the impact of Christian Nationalism on politics, society, and the religious landscape and offers insights into how individuals and communities can work towards promoting a more genuine expression of Christian faith. It explores how the values and teachings of Christianity, such as love, compassion, and inclusion, are at odds with the exclusionary and divisive nature of Christian Nationalism. The essays in this collection analyze the ways in which Christian Nationalism distorts the message of Christianity and promotes harmful ideologies that go against the core principles of the faith. Through thoughtful analysis and compelling arguments, the book aims to challenge and debunk the notion that Christian Nationalism is a natural extension of authentic Christianity.

Hearers and Doers Kevin J. Vanhoozer, 2019-05-15 The foundation of discipleship is sound scriptural doctrine. The value of sound doctrine is often misunderstood by the modern church. While it can be dry and dull when it flows from the story of Scripture, it can be full of life and love. This kind of doctrine, steeped in Scripture, is critical for disciple making. And it's often overlooked by modern pastors. In **Hearers and Doers**, Kevin Vanhoozer makes the case that pastors, as pastor-theologians, ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples. Scriptural doctrine is vital to the life of the church, and local pastor-theologians should be the ones delivering it to their communities. With arresting prose and striking metaphors, Vanhoozer addresses the most pressing problems in the modern

Revolution and Fall Charles

Grice, 2016-12-07 What happened to this world How did Western Civilization with its traditions of religious values and beliefs reaching back over a thousand years suddenly become a fractured culture of individualism unmoored from its past These are the questions being asked today by people of faith *Revolution and Fall* takes the reader from the beginnings of this secular revolution through its present evolution and its subtle ways of persuasion In these chapters you will gain a greater understanding of modernity's assaults upon the Church how it seized the public square with its shrill political voice and how it distorts valid science to promote its agenda of agnosticism Only with an understanding as to why this revolution began and how it was able to seize the mind of our modern world will Christians and other people of faith be prepared to ask a deeper question What should we do With these insights into what historians call a Post Christian world we will realize its failure to answer the most basic questions of human life and living also realizing how fragile are its foundations as they begin to crumble *Revolution and Fall* is a journey through Western culture that will restore the proper confidence of faith

RetroChristianity Michael J. Svelgel, 2012-04-30 Evangelicalism is in trouble Surveying the modern evangelical landscape professor Michael Svelgel asks Why does evangelicalism appear to be spinning out of control losing appeal to younger generations dwindling in numbers or selling out to pop culture to muster a crowd He seeks to answer this question by looking to the past to a Retro Christianity Calling for a return to evangelicalism's historical and theological roots Svelgel begins by addressing some of present day evangelicalism's problems and explores what can be done to help churches regain a healthy perspective on doctrine He then gives practical examples of what establishing a biblical historical and theologically sound foundation will mean for Christians as they think through aspects of church life and worship As the numbers of those confused or disenchanted with evangelicalism continue to grow Svelgel's book meets a timely need and will benefit many readers with his balanced argument for preserving the evangelical faith
