Lee** Robert Edward Lee, 2014-03-09 With the exception of George Washington perhaps the most famous general in American history is Robert E Lee January 19 1807 October 12 1870 despite the fact he led the Confederate Army of Northern Virginia against the Union in the Civil War As the son of U S Revolutionary War hero Henry Light Horse Harry Lee III and a relative of Martha Custis Washington Lee was imbued with a strong sense of honor and duty from the

beginning And as a top graduate of West Point Lee had distinguished himself so well before the Civil War that President Lincoln asked him to command the entire Union Army Lee famously declined serving his home state of Virginia instead after it seceded Lee is remembered today for constantly defeating the Union's Army of the Potomac in the Eastern theater from 1862-1865 considerably frustrating Lincoln and his generals His leadership of his army led to him being deified after the war by some of his former subordinates especially Virginians and he came to personify the Lost Cause's ideal Southern soldier His reputation was secured in the decades after the war as a general who brilliantly led his men to amazing victories against all odds Despite his successes and his legacy Lee wasn't perfect And of all the battles Lee fought in he was most criticized for Gettysburg particularly his order of Pickett's Charge on the third and final day of the war Despite the fact his principle subordinate and corps leader General James Longstreet advised against the charge Lee went ahead with it ending the army's defeat at Gettysburg with a violent climax that left half of the men who charged killed or wounded

Lee](#) Robert E. Lee,2012-10-13 As the old hero lay in the darkened room or with the lamp and hearth fire casting shadows upon his calm noble front all the missing grandeur of his form and face and brow remained and death seemed to lose its terrors and to borrow a grace and dignity in sublime keeping with the life that was ebbing away The great mind sank to its last repose almost with the equal poise of health The few broken utterances that evinced at times a wandering intellect were spoken under the influence of the remedies administered but as long as consciousness lasted there was evidence that all the high controlling influences of his whole life still ruled and even when stupor was laying its cold hand on the intellectual perceptions the moral nature with its complete orb of duties and affections still asserted itself A southern poet has celebrated in song these last significant words Strike the tent and a thousand voices were raised to give meaning to the uncertain sound when the dying man said with emphasis Tell Hill he must come up These sentences serve to show most touchingly through what fields the imagination was passing but generally his words though few were coherent but for the most part indeed his silence was unbroken From the archives comes the Civil War Classic Library Dozens of books out of print for years is now back in print for the casual reader and the collector Now is the time to collect and build a classic library and get them all before they fall out of print forever replaced by digital files **Recollections and Letters of Robert E.
