Recollections Of The Golden Triangle:

Recollections of the Golden Triangle Alain Robbe-Grillet, 2015-06-23 Could be read as the French New Novelist's tribute to the vibrant Latin American fiction that his own early works helped to inspire The New York Times Book Review A provocative novel by one of the most influential French writers *Recollections of the Golden Triangle* is a tour de force a literary thriller constructed of wildly diverse elements fantasy and dream erotic invention and the stuff of popular fiction and movies taken to its farthest limits A secret door that is opened slightly by an electronic device a beautiful hanged factory girl a pale young aristocrat whose blood apparently nourishes his vampiric lover the evil Dr Morgan who conducts his experiments in tertiary dream behavior the beautiful and sinister women from the world of horror films and the investigating police who are not all what they seem to be are just some of the ingredients of this intriguing new novel by the French master of the intellectual thriller whose novels and films have effectively changed the way we can look at the real world today *Recollections of the Golden Triangle* challenges the reader to find his own meaning in its descriptions clues and contradictions and to play detective by assembling the pieces of the fictional puzzle If you make the effort to read *Recollections of a Golden Triangle* you will have a richer and more rewarding experience than you would reading a conventional mystery story St Louis Post Dispatch A sense of atmosphere and a power of representation that at best make one feel that one is looking over an artist's shoulder with one eye on the canvas and the other on the reality that he is sketching The Times

Understanding Alain Robbe-Grillet Roch C. Smith, 2000 Transforming bewilderment into understanding and pleasure while preserving a sense of Robbe Grillet's considerable richness and complexity Smith elucidates the defining elements of the writer's fictional world characters that barely exist changeable narrators plots that defy logic notoriously meticulous descriptions that never quite form a complete story Smith examines Robbe Grillet's embrace of discontinuity circularity indeterminacy and linguistic play Smith also poses questions about how we should view this perplexing writer as an author of hyperobjective novels and short stories a subjective novelist a realist or a writer who undermines the narrative's claim to represent reality In addition Smith evaluates the sado erotic imagery of Robbe Grillet's middle and late novels as a metaphorical play with textual and social conventions BOOK JACKET

[The Voyeur](#) Alain Robbe-Grillet, 2015-06-23 The winner of the Prix des Critiques from the French avant garde author of *Jealousy* Robbe Grillet is the forerunner of a revolution in the novel Claude Mauriac cultural critic for Le Figaro Mathias a timorous ineffectual traveling salesman returns to the island of his birth after a long absence Two days later a thirteen year old girl is found drowned and mutilated With eerie precision Robbe Grillet puts us at the scene of the crime and takes us inside Mathias's mind artfully enlisting us as detective hot on the trail of a homicidal maniac A triumphant display of the techniques of the new novel *The Voyeur* achieves the impossible feat of keeping us utterly engrossed in the mystery of the child's murder while systematically raising doubts about whether it really occurred The suspense keeps us on tenterhooks The New York Times

mixture of fact and fantasy The narrative spans the twenty four hour period following a series of eight murders in eight days presumably the work of a terrorist group After the ninth murder the investigation is turned over to a police agent who may in fact be the assassin Both an engrossing mystery and a sinister deconstruction of reality The Erasers intrigues and unnerves with equal force as it pulls us along to its ominous conclusion On the surface and surface is the key word with this author The Erasers is a mystery story where a police agent named Wallas stalks an unknown assassin through a nameless puzzleboard Flemish town Nothing is certain The only thing the reader can be sure of is the laser precise detail in which all that isn't clear is described catalogued and analyzed The Millions A haunting mystifying evocation of a murder that will keep your attention riveted The Dallas Morning News Praise for Alain Robbe Grillet I can think of no other writer who can render the banal so fearfully fantastic Books and Bookmen I doubt that fiction as art can any longer be seriously discussed without Robbe Grillet The New York Times

Of Words and the World David R. Ellison, 1993-03-22 Here David Ellison explores the problems encountered by France's best experimental authors writing between 1956 and 1984 when faced with the question What should my writing be about These years are characterized by the rise of the new novelists who questioned the representational function of writing as they created works of imagination that turned in upon themselves and away from exterior reality It became fashionable at one point to affirm that literature was no longer about the world but uniquely about the words on a page the signifying surface of the text Ellison tests this assumption showing that even in the most seemingly self-referential fictions the words point to the world from which they can never completely separate themselves Through close readings Ellison examines the novels and theoretical writings of authors whose works are fundamental to our perception of contemporary French writing and thought Camus Robbe Grillet Simon Duras Sarraute Blanchot and Beckett The result is a new understanding of the link between the referential function of literary language and the problematic of the ethics of fiction

Traders of the Golden Triangle Andrew Forbes, David Henley, 2013-02-03 During the latter half of the twentieth century the little known and often lawless region where Laos Burma Thailand and China meet has become known and widely romanticised as The Golden Triangle Originally a Western designation applied to the region because of its wealth in jade silver rubies lumber rare animal products and above all opium the name has stuck and is today accepted both in Chinese and in Thai By reputation by very definition the area is off the beaten track The home of drug warlords arms dealers insurgent armies latter day slave traders and plain old fashioned bandits it is also the home of an extraordinarily wide range of colourful ethnic minorities many still only partly known and understood and a veritable Tower of Babel linguistically 36 500 words 70 historical images 46 contemporary images 5 maps Bibliography
