How to Build a Sport or Life Dynasty Norbert A. Baschnagel, 2021-09-20 How to Build a Sport or Life Dynasty By Norbert A Baschnagel How to Build a Sport or Life Dynasty is a must read book not only for those who are currently coaching and those who aspire to coach but also for people who are seeking to live meaningful and productive lives Coach Baschnagel gives a very detailed and successful plan on how to excel as a coach and how to create a sports dynasty This plan is based on his expertise knowledge and life experience It was this plan that enabled him to create a Sports Dynasty for the Women s Varsity Tennis Team at Clarion University In his last four years of coaching the team a record of 57 wins and only 1 loss was compiled This book can help any coach achieve greater success In this book Coach Baschnagel is sharing The tricks of the trade with his readers He also shares the qualities that are needed for a person not only to be successful in life but also to be significant If a person wants to have a higher and more satisfying life this book is a must As the author has excelled in his personal life coaching and in the community he has brought that same excellence in this book Fr Sam Bungo St Charles Church New Bethlehem PA The book exemplifies how to develop and build a sports or life dynasty and is truly how you live your life Your persistence determination when others said it could not be done commitment dedication to others and your amazing leadership skills are fundamental in shifting from success to significance Being a part of your Tennis Dynasty for four years and playing under your leadership was both an honor and privilege At the same time I didn t realize how valuable the life s lessons were that I was acquiring You don t always see the magnitude of something while in the middle of it What you write about is exactly what your expectations were of each player Good sportsmanship hard work discipline teamwork training preparation compassion self control enthusiasm and friendship are all attributes that you valued and instilled in us as our leader These qualities have carried over into adulthood and are great strengths to have throughout life

Whether you are a coach wanting to build a team dynasty or an athlete wanting to master his or her skill this book is a roadmap to do just that Tamara Myers CUP Hall of Fame Member 1987 1990 Tennis Team Captain Medical Sales Rep Norb always has a plan and with that plan he has always had Beverly to make sure he stayed focused to get these plans accomplished Only Norb could have believed and figured out how to build a dynasty in a place that is known for Wrestling and Autumn Leaf Festival If you want to know how to build a successful program in sports business and even life read this book How to Build a Sport or Life Dynasty Everyone thought he was crazy including his assistant coaches and some of his players who are in the Clarion Sports Hall of Fame but two years later we were not only the best tennis team in the PSAC for four straight years we were the dominant team on the whole east coast Coach Baschnagel is the only person who could have believed and made this happen and I believe with hard work and using his principal s you could be as successful as he was but you must burn the midnight oil You can t be successful by accident and this success story does not come without a few hard times and headaches It is a book that you will not be able to put down and you can use every day Philip D Popielski Jr CUP Student Assistant Tennis Coach 1984 1987 Assistant Principal Woodlawn High School Baltimore MD In this his fourth sports themed book Norbert Baschnagel tells the story of how he took a struggling non winning women s tennis program at Clarion University of Pennsylvania and turned it into the conference leader with an astounding string of wins during his stint as head coach The achievement led to many honors including his being named the conference s Coach of the Year and being inducted into the Clarion University Sports Hall of Fame Baschnagel then provides a detailed blueprint of how he achieved his success and how others can achieve similar results Baschnagel eventually left coaching to become a member of the Clarion University faculty teaching in the university s Department of Health and Physical Education for many years before retiring recently A few years before his retirement Professor Baschnagel received one of academia s highest honors when he was named a full professor Though Coach Professor Baschnagel is now retired he is not resting on his laurels as he remains active in the community and the sports world And as this book ably demonstrates while he may be retired he is still very much in the game Dr William Buchanan Professor Emeritus Department of Information and Library Science Clarion University of Pennsylvania

The Providence Steam Roller Greg D. Tranter, 2024-10-01 An early NFL franchise the Providence Steam Roller brought major league sports to Rhode Island for the first time Playing at a bicycle arena known as the Cycledrome the team thrilled thousands of fans in its brief history Only a short time after sitting atop the pro football world for one glorious season it ceased to exist This book brings the Providence Steam Roller back to life in the first thorough examination of one of the most unusual franchises in NFL history The team toiled in the NFL from 1925 to 1931 after nine years as an independent professional squad The Steam Roller achieved many firsts in NFL history it was the first NFL team in New England hosted the first night game in NFL history and is the last now defunct team to win an NFL championship Many who wore the black and orange uniform played professional football not for the money but for the love of the game and

Confrontations Don Williamson,2020-05-15 Book Delisted *Modern Sport Ethics* Angela Lumpkin,2016-12-12 The descriptions and examples of unethical behaviors in sport in this book will challenge readers to rethink how they view sport and question whether participating in sport builds character especially at the youth and amateur levels Sport potentially can teach character as well as social and moral values but only when these positive concepts are consistently taught modeled and reinforced by sport leaders with the moral courage to do so The seeming moral crisis threatening amateur and youth sport evidenced by athletes coaches and parents alike making poor ethical choices and ongoing scandals regarding performance enhancing drug use by professional athletes make sports ethics a topic of great concern This work enables readers to better understand the ethical challenges facing competitive sport by addressing issues such as gamesmanship doping cheating sportsmanship fair play and respect for the game A compelling read for coaches sport administrators players parents and sport fans the book examines specific examples of unethical behaviors many cases of which occur in amateur and educational sports to illustrate how these incidents threaten the perception that sport builds character It identifies and investigates the multiple reasons for cheating in sport such as the fact that the rewards for succeeding are so high and the feeling of athletes that they must behave as they do to level the playing field because everyone else is cheating being violent taking performance enhancing drugs or doing whatever it takes to win Readers will gain insight into how coaches and sport

administrators can achieve the goals for youth interscholastic intercollegiate and Olympic sport by stressing moral values and character development as well as see how specific recommendations can help ensure that sport can serve to build character rather than teach bad behavior in the pursuit of victory The 1963 Chicago Bears Charles N.

Billington,2023-12-21 This thorough examination of the 1963 NFL Championship chronicles the trials and triumphs of Chicago s historically most neglected champions against the economic social legal and human interest backdrop of professional football in the 1960s The Bears and their legendary owner coach George Halas adjusted to the increased revenue of the television era and the behind the scenes drama of a gambling scandal while developing into one of the greatest teams of the pre Super Bowl era Their tumultuous rise and tragic deterioration are covered in detail

Congressional Record United States. Congress,2002 Question Everything: Advice for Students and Graduates Kenny Glenn,2025-04-22 SCHOOL AND EDUCATION ARE NOT THE SAME THING This book is for every student and graduate as we all go through school but still have so many unanswered questions about life beyond the classroom Readers will no longer be blindly led into the unknown as they learn how to properly leverage school and other environmental resources to achieve true education Too often the words school education are used synonymously and this causes massive confusion As a former top ranked collegiate athlete with a high GPA a Master of Accounting graduate a CEO and a School Board member all before the age of 23 this book includes the helpful and honest transparent advice I would tell my younger self with literal Dear Kenny passages The factual stories and self reflection questions will help readers craft a plan to create their desired future With the proper knowledge readers can avoid silly mistakes while saving time and money Common mistakes are following misleading advice but also not asking the right questions due to fear or ignorance After graduating from school seven times and experiencing life I continue to find new information and then ask the questions Why didn t they teach me this in school or How come no one told me about this Question Everything Advice for Students and Graduates is a book that will help readers Prepare for Life After Graduation Overcome Failure Rejection Minimize Indecisiveness Improve Financial Decisions Build Courage Confidence AND MORE *Heritage Auctions Sports Collectibles Auction Catalog #710* Chris Ivy,2008-09

Baseball's Creation Myth Brian Martin,2013-06-12 The story about baseball s being invented in Cooperstown New York in 1839 by Abner Doubleday served to prove that the U S national pastime was an American game not derived from the English children s game of rounders as had been believed The tale embraced by Americans has long been proven false but to this day Cooperstown is celebrated as the birthplace of baseball The story has captured the hearts of millions But who spun that tale and why This book provides a surprising answer about the origins of America s most durable myth It seems that Abner Graves who espoused Cooperstown as the birthplace of the game likely was inspired by another story about an early game of baseball The stories were remarkably similar as were the men who told them For the first time this book links the stories and lives of Graves a mining engineer and Adam Ford a medical doctor both residents of Denver Colorado While the actual

origins of the game of baseball remain subject to debate and study new light is shed on the source of baseball's durable creation myth
