How Children Learn from Parents and Parenting Others in Formal and Informal Settings: International and Cultural Perspectives, 2nd Edition Yvette Renee Harris, Claudio Longobardi, 2020-07-28 For several decades parent child cognitive interaction researchers have acknowledged that children learn cognitive skills in the context of their social and early environments These cognitive skills are often imparted to the children by parents or parenting others in formal or informal settings Thus for example such informal settings as dinner table conversations walks through grocery stores museums or neighborhoods become rich laboratories for children to learn varied cognitive skills ranging from numeracy concepts and language The way in which those learning opportunities are provided by parents structured by parents and scaffolded by parents may well vary depending on culture and other socio demographic variables and may well vary depending on formal or informal settings The aim of this Research Topic is to bring together scholarship from both global north and global south contexts which explores how children learn via parental involvement in formal and informal settings Publisher s note In this 2nd edition the following article has been added Harris YR and Longobardi C 2020 Editorial How Children Learn From Parents and Parenting Others in Formal and Informal Settings International and Cultural Perspectives Front Psychol 11 1026 doi 10 3389/fpsyg.2020.01026

Supporting Parents of Teenagers John Coleman, Debi Roker, 2001-07-01 The parenting of teenagers has emerged as a key public political and social

concern in recent years and Supporting Parents of Teenagers meets the growing need for relevant resources and research findings in this area This handbook provides a review of current policy developments from crime and disorder legislation to youth offending teams **Children's Contact with Incarcerated Parents** Julie Poehlmann-Tynan,2015-05-11 This Brief explores the potential effects of parent child contact during incarceration on child and adult relationships well being and parenting as well as corrections related issues such as institutional behavior and recidivism It presents a literature review on what is currently known about parent child contact during parental incarceration in addition to several empirical studies followed by a summary commentary and briefing report The empirical studies focus on contact in both jail and prison settings Because jails in the United States handle more admissions per year than prisons and studies of jailed parents and their children are not common in the literature two of the three studies presented focus on jails Following the empirical studies a summary that includes recommendations for policy and intervention is presented along with a commentary that explores what researchers need to do to make effective policy recommendations This Brief is an essential resource for policy makers and related professionals graduate students and researchers in child and school psychology family studies public health social work law criminal justice and sociology **Gay Parents/straight Schools** Virginia Casper,Steven B.

Schultz,1999-06-04 Gay Parents Straight Schools openly addresses the specific educational realities and needs of lesbian and gay headed families It explores why gayness is perceived as such a threat especially to the education of young children when it has such potential to enrich the worldviews of both children and adults Based on research that includes perspectives from all those involved this pioneering book delves into such issues as communication between lesbian and gay parents and school staff homophobia at school and at home gender and gender role and the different understandings about role models curriculum planning that invites lesbian and gay parents into the school environment connecting children s family experiences with school experiences Featuring many direct quotes from children teachers administrators and parents this timely volume provides solid information wise insights and useful strategies to ensure the best education for all our children

Good Parents or Good Workers? NA NA,2016-03-15 Good Parents or Good Workers draws upon new ethnographic studies and longitudinal interviews that are reporting on the daily lives of women and children under new welfare policy pressures Contributors look at family policy in the context of daily demands and critique new social programs that are designed to strengthen families The book is divided into three course friendly sections that deal with the impact of welfare reform on caregiving the lived experiences of low income families and family policy debates Good Parents or Good Workers is an important text on the impacts of welfare reform that will be essential reading in a variety of courses in education sociology and politics **LGBT-Parent Families** Abbie E. Goldberg,Katherine R. Allen,2012-10-11 LGBT Parent Families is the first handbook to provide a comprehensive examination of this underserved area Reflecting the nature of this issue the volume is notably interdisciplinary with contributions from scholars in psychology sociology human development family studies gender

studies sexuality studies legal studies social work and anthropology Additionally scholarship from regions beyond the U S including England Australia Canada and South Africa is presented In addition to gender and sexuality all contributors address issues of social class race and ethnicity in their chapters **Children's Healthcare and Parental Media Engagement in Urban China** Qian Gong,2016-10-25 This book analyses parental anxieties about their children s healthcare issues in urban China engaging with wider theoretical debates about modernity risk and anxiety It examines the broader social cultural and historical contexts of parental anxiety by analysing a series of socio economic changes and population policy changes in post reform China that contextualise parental experiences Drawing on Wilkinson s 2001 conceptualisation linking individual s risk consciousness to anxiety this book analyses the situated risk experiences of parents and grandparents looking particularly into their engagement with various types of media It studies the representations of health issues and health related risks in a parenting magazine popular newspapers commercial advertising and new media as well as parents and grandparents engagement with and response to these media representations By investigating a culture of anxiety among parents and grandparents in contemporary China thisbook seeks to add to the scholarship of contemporary parenthood in a non Western context

Parental Stress and Early Child Development Kirby Deater-Deckard,Robin Panneton,2017-05-14 This book examines the complex impact of parenting stress and the effects of its transmission on young children s development and well being e g emotion self regulation executive functioning maltreatment future parenting practices It analyzes current findings on acute and chronic psychological and socioeconomic stressors affecting parents including those associated with poverty and cultural disparities pregnancy and motherhood and caring for children with developmental disabilities Contributors explore how parental stress affects cognitive affective behavioral and neurological development in children while pinpointing core adaptation resilience and coping skills parents need to reduce abusive and other negative behaviors and promote optimal outcomes in their children These nuanced bidirectional perspectives on parent child dynamics aim to inform clinical strategies and future research targeting parental stress and its cyclical impact on subsequent generations Included in the coverage Parental stress and child temperament How social structure and culture shape parental strain and the well being of parents and children The stress of parenting children with developmental disabilities Consequences and mechanisms of child maltreatment and the implications for parenting How being mothered affects the development of mothering Prenatal maternal stress and psychobiological development during childhood Parenting Stress and Early Child Development is an essential resource for researchers clinicians and related professionals and graduate students in infancy and early childhood development developmental psychology pediatrics family studies and developmental neuroscience

Parental Influence on Child Social and Emotional Functioning Xiaoqin Zhu,Diya Dou,Thanos Karatzias,Tan Tang,2024-03-20 Social and emotional functioning interpersonal interactions social adjustment emotional well being and mental health among children and adolescents has drawn growing attention from academics practitioners parents educators

and policymakers Worldwide it is agreed that social and emotional development is a result of individual context interactions Particularly socialization perspectives regard parenting as the primary factor that shapes child and adolescent development to a large extent Meanwhile the ecological perspective highlights the bi directional nature of interactions between children and parents by which they affect each other Parenting can be parents active socialization actions that influence their children s development i e parent effect it can also be parents reactions to their children s social and emotional functioning i e child effect

International Parental Child Abduction and the Law Geraldine Carney,2024-06-13 Japan has faced widespread scrutiny for failing to properly address international parental child abduction involving its citizens This book examines how and why Japan has come to have this tarnished image its response and how it might manage these disputes in the future In particular the book explores how Japan engages with international legal frameworks to manage international parental child abduction and what this means in reality for Japanese people and others who come under its wide umbrella A focus of this examination is how the key international treaty the Hague Convention of 25 October 1980 on the Civil Aspects of International Child Abduction has fared since being introduced in Japan in 2014 Case studies of parental child abduction involving Japan are used throughout to illustrate the legal and social concepts discussed in the book The struggles of both abducting and left behind parents across fluid international borders reveal seismic social and philosophical shifts in Japan that continue to shape its legal landscape This book will be a useful resource for students of Japanese Studies Sociolegal Studies Comparative Law and International Law

Global Perspectives on Parental Acceptance and Rejection Ronald P. Rohner,Sumbleen Ali,2025-03-31 *Global Perspectives on Parental Acceptance and Rejection* advances an understanding of the profound and lifelong effects that parental love acceptance and the absence of love rejection have on human development from childhood through to old age It draws from interpersonal acceptance rejection theory IPARTheory an evidence based theory of socialization and lifespan development that focuses on the pancultural effects causes and other correlates of interpersonal acceptance rejection throughout the lifespan Edited by Ronald P Rohner and Sumbleen Ali contributions from leading scholars show how few experiences have as wide ranging significant and predictable consequences for human behavior well being as experiences of parental acceptance and rejection Key topics of parental acceptance rejection include long term effects in childhood adult intimate relationships early life stress parental alienation child maltreatment and forgiveness and vengeance It also discusses the clinical implications and practical applications of IPARTheory Providing vital information about parenting and human development worldwide this book is essential for researchers students and practitioners in psychology psychiatry family sciences sociology human development and the helping professions
