The Red Ranger ,1919 *Urban Queen* Jason Keeby,2022-02-08 Liyah s father Stephan thought the life would be the best thing for his growing family In an attempt at providing security Stephan inadvertently placed his family right in the face of danger With their lives suddenly crashing down around them Liyah has to quickly become an adult taking care of her two younger brothers Malik and Malakhi With her mother crumbling under the pressure and her father just out of reach will she make the better choice when faced with similar options *The Oasis of Filth - Part 3 - From Blood Reborn* Keith Soares,2014-03-22 What the hell did I know about leading about trying to save people I used to think I was saving people

before back when I was a suburban doctor That was nothing The disease that made people into something like zombies didn't just take away the lives of the infected it took away everything family community civilization itself How could I save people from that But the younger ones looked up to me in some weird way given that I was well past my sixtieth birthday Maybe they thought it made me wise And maybe it did because I knew one thing as clear as day We might not all get killed by this world this disease but there's no way we're all getting out alive SPR review 5 stars The book is a strong finale and pushes its characters to their limit without hesitation Each chapter is tense yet bleak but the small victories that come with each crossed bridge and hurdle are drunk in by the weary narrator and the small glimmer of hope he becomes charged with shines on through each terrifying step IndieReader review 4.5 stars A tale of salvation with all too human characters face the ravages of a pandemic Coupling their minds with their courage the small band of sojourners finds their way out of the darkness of impending death to a new beginning for the human race A wonderful story This series grabbed me from the start and wouldn't let go When I wasn't reading it I was thinking about it The characters in this story were amazing Strong willed funny and someone that I would have called friend My favorite apocalyptic tale The quality of writing and the story line are superb I am only sad to say that From Blood Reborn is the last of the series Even though you're reading about a wild post apocalyptic time the tale remains grounded in reality That's what makes it so chilling **Hunter-trader-trapper**, 1914

Morgan, 2019-02-06 In the finale of Risking it All for the Love of a Boss limits will be tested and lines will be crossed Chasity's older brother returns with questions about his mother's death and he won't stop until he gets them She feels genuinely bad for her brother but refuses to admit her sins Chaz feels torn between his children Yet when he feels forced to pick a side he does without a second thought shocking everyone including himself by what comes out of his mouth King goes to get his baby sister and is devastated to find out she's going through a withdrawal from coke To make matters worse his little brother is still dedicated to being in the streets While King is busy trying to steer him the other way there's a lot of slick stuff going on behind his back With his name floating around the police station the stress level is high and the pressure is on Chasity and King vow to love each other for as long as they live That is until King finds out that Chasity has been hiding a huge secret from him and is ready to do something unforgivable He walks out on her and doesn't look back Will he be able to love her through the hurt and give her a second chance or will she be forced to let go of the boss she risked it all for *Christmas in the Trap: Miami Style* Zarkia Jones,
