Red House Kenneth Wishnia, 2014-03-01 First she was a beat cop then she was unemployed

Now Kenneth Wishnia's dynamic Filomena Buscarsela has apprenticed herself to a New York City PI firm to put in the three years necessary to get her own PI license which she needs to earn enough money to support herself and her daughter. Trouble is she often agrees to take on sticky neighborhood cases pro bono like the group of squatters restoring an abandoned building in the neighborhood rather than handle the big bucks clients her bosses would prefer. While helping out her more senior colleagues with her own superior investigative techniques bred from years on the beat, Fil agrees to look into the disappearance of a young immigrant. Then witnessing the arrest of a neighbor on marijuana possession charges that nearly turns into a shoot out with the police, Fil is roped into finding out what went wrong. Trying to balance charity cases like these with bread and butter cases not to mention single motherhood, Fil is quickly in over her head dodging bullish cops, aggressive businessmen, and corrupt landlords in their working class Queens neighborhood. After years of policing and backstreet bloodhounding, Filomena Buscarsela is apprenticing to earn her own private investigator's license. She pours on her Spanish, her clever tricks, and her battle-tested charms to uncover a labyrinth of deceit, racial prejudice, and impenetrable bureaucracy that not only rocks her neighborhood but also threatens the foundation of the big red house that is this PI's America.
