Red Hot Christmas Hiding Behind The Couch:

Red Hot Christmas Debbie McGowan, 2014-12-14 Shaunna has a complicated Christmas ahead of her For more than twenty years she and Kris were a couple Together they bought a house and turned it into a wonderful family home in which to raise Shaunna s daughter Krissi Now Krissi is all grown up and Shaunna and Kris are separated Kris has Ade his boyfriend of more than a year who adores him And Andy Krissi s dad is in love with Shaunna She knows what she wants for Christmas She s had a long time to think about it But is the ribbon binding these fabulous relationships strong enough to protect them Or will turning on the lights reveal the true fragility of these precious ornaments Either way Shaunna knows she s set for a Christmas that might just be too hot to handle Red Hot Christmas is a novella length character special Part of Hiding Behind The Couch series This story follows chronologically from In The Stars Part II Season Five and runs parallel to A Midnight Clear Novella The story continues in Two By Two Season Six **WARNING** this story contains intimate moderately explicit scenes between consenting opposite sex F M adults

Not My Christmas Debbie McGowan, 2019-12-25 Christmas at the Davenports has never been a relaxing affair so when the opportunity for a little alone time with a beautiful available woman comes Charlie Davenport s way she takes it breaking several family traditions and risking the wrath of her siblings But it ll be worth it right And she can always make it up to them later or next Christmas For readers of the Hiding Behind The Couch series **Not My Christmas** comes several months after Reunions Season Seven and immediately after The Advent of Reason

First Christmas Debbie McGowan, 2013-12-01 Remember the way you used to feel when you were little So eager for Santa s visit sleeplessly counting the minutes till morning trembling with excitement and anticipation Will I get what I wished for Have I been good enough Josh and George spent half a lifetime apart so it matters not that they re all grown up now For this is their first Christmas together in their new home They finally have all that they wished for But perhaps Santa still has a few surprises in store This Christmas join Josh and George for a Christmas story full of festive magic and romance Best read in December in front of a roaring log fire by the twinkling light of a Christmas tree **First Christmas** a novella length character special Part of Hiding Behind The Couch series The story follows chronologically from The Harder They Fall Season Three and continues in In The Stars Part I Season Four

Taking Him On Debbie McGowan, 2015-09-05 It s almost a year since Noah told Matty they needed to cool it believing it was the sensible thing to do After all they were too intense and they were both failing uni Now with Matty just weeks away from taking up his place at a prestigious London dance academy Noah is desperate to make the most of the little time they have left It s only a temporary separation and they are forever Or so he d thought

Two By Two Debbie McGowan, 2015-03-31 Two pregnancies two babies two troubled teens Two psychologists hunting down the leader of a deadly cult When Libby takes a stand against her abusive parents Josh and George readily make her a part of their family However her parents may have been involved in something altogether more sinister and now The Circle must draw together to protect both Libby and her friend Adam Meanwhile two unexpected guests seek sanctuary in

Shaunna and Andy's new home but that's only a part of it and they soon realise something is very wrong. Someone is watching them. All this and more in Two By Two Season Six of Hiding Behind The Couch. This instalment follows chronologically from the Christmas novellas A Midnight Clear and Red Hot Christmas. The story continues in Those Jeffries Boys. **WARNING** this story includes themes of child abuse, ritual child abuse, domestic violence, drug dependency, suicide, suicide ideation, dissociative PTSD and an instance of animal abuse. While these are not gratuitously depicted, some scenes include moderately graphic detail.

Beginnings Debbie McGowan, 2013-05-31 Journey back to childhood where the buds of friendship blossom take a peek into the lives of the primary schoolchildren who would become The Circle. A prequel to the Hiding Behind The Couch books. As the title suggests, this short story focuses on the early school days long before the birth of the full Circle, a series of sectors if you will. Contains no real spoilers so can be read independently of the rest of the series and in any order. A very sweet short story of blossoming friendships and childhood traumas, a wonderful engaging story that made me feel good inside. Highly recommended for readers who love richly written characters and clever dialogue. **WARNING** this story deals with themes of child sexual abuse, sudden infant death and parents' marriage breakdown due to infidelity. All issues are written about sensitively and in a way that is intended to be accessible for children aged ten and above.

Hiding Out Debbie McGowan, 2015-03-18 If any adult was going to get the chicken pox it would be Sean Tierney. That alone would be bad enough but his illness means friend and colleague Josh Sandison Morley has to step in and face his fears, guest speaking at a university in Norwich. As Josh gathers his husband and his foster daughter for the trip, he is unaware that their world is about to collide with that of another makeshift family. Noah and Matty's Matty is agonising over his impending dance show. Sure, talent scouts will be in the audience but there's an even bigger problem. Noah, Matty's on again off again boyfriend, has promised to be there too. And Matty's dance. It has a secret meaning he's not sure he's ready to reveal to Noah. Can Josh and Matty face their fears and perform for their respective crowds? More importantly, will the Sandison Morleys influence be enough to get the young men to express their feelings to each other before it's too late? This novella continues the stories of Josh and George from the Hiding Behind the Couch Series and Matty and Noah from the Checking Him Out Series.

Reverberations Debbie McGowan, 2022-12-21 Mysterious happenings are mounting up for Josh, Sean and their estranged alumni. Josh Sandison Morley was born a sceptic. Why else would he insist there's no such thing as ghosts when he's eliminated every plausible explanation for the noises in his former therapy rooms? Sean Tierney's having some performance issues. His GP says there's no physical reason, his blood pressure is under control and he's stayed off the booze, ergo it's all in his head. In the circumstances, being a palliative clinical psychologist isn't proving self-helpful. Despite two decades of friendship and their grand plans to open a private psychotherapy centre, neither man confides in the other. That is until news reaches them both via different avenues that their experiences are but part of a bizarre cluster of unexplained phenomena for which there is only one common denominator. Whether real or the product of overwrought imaginations, Josh, Sean and

their alumni must lay to rest the spectre of a once beloved friend or admit defeat and crawl back under the safe weighty stones of the jobs and relationships they've left behind

Chain of Secrets Debbie McGowan, 2023-02-07 The story of George and Josh two little boys who became best friends two adolescents who stayed best friends two young adults with secrets that might change their friendship forever Josh and George have always shared the special bond of friendship From days in primary school to holidays spent riding their bikes along the canal theirs is a promise to remain best friends forever But can that promise withstand the trials of adolescence and the changes in their feelings towards each other NOTE this is a fully stand alone story but it contains significant spoilers for anyone reading the Hiding Behind The Couch series and should be read after The Harder They Fall season three

Where the Grass is Greener Debbie McGowan, Raine O'Tierney, 2015-09-28 Mistakes were made that's for sure But was it the night of passion Or walking away afterward That's the question Seamus Williams must face when he gets a late night phone call from someone he never expects to hear from again I miss you Shay Chancey Bo Clearwater is a cowboy through and through He spends his days finding work on whatever ranch will take him and his nights at the pool hall He's always done what needed doing and never thought much about what he wanted Til that drunken night with Seamus A world of problems now stand between Seamus and Chancey exploring what might have been the least of which being the Atlantic Ocean On one side there's Chancey's daughter who mood swings from angel to demon in two seconds flat on the other there's the new lodger hogging Shay's telly and his cornflakes and making private Skype time hard to come by Is this relationship doomed before it ever begins Or can a surprise announcement from Seamus's brother be enough to help the two find their second chance Where the Grass is Greener is book two of the Seeds of Tyrone Series but can be read independently of the first novel

Christmas Craic and Mistletoe Debbie McGowan,Raine O'Tierney,2015-12-25 Two couples two unique stories of love at Christmastime Harrison and Paulo were once passionate lovers until tragedy tore them apart When the men miss an opportunity to reconnect at a Christmas party Paulo is prepared to move heaven and earth to see Harrison again Michael s

coming out didn't go down well in his conservative hometown of Omagh and the bullies are out to get him But he has a guardian angel on his side his unrequited long term crush Tom Will the magic of Christmas in Ireland be enough to see these two couples through This book features characters from the Seeds of Tyrone series but can be read and enjoyed independently No Time Like The Present Debbie McGowan,2012-11-16 Sometimes a murder mystery is the least of life's challenges This sequel to Hiding Behind The Couch finds Josh and The Circle fighting to prove the innocence of one James Brown a well liked and respected MD of a pizza restaurant chain But his past is far from helpful in freeing him of suspicion and Eleanor is all set to call it a day It's the perfect time to make new friends make amends and solve a murder case a beautiful tapestry which is a story encompassing so many lives and their interconnections I wanted more just so I could find out what the future held for my newfound friends All I can hope is for the possibility that Debbie McGowan might like to make this into a trilogy or even a series that I can keep indulging in for either the rest of my own or the characters' lives NOTE contains Hiding Behind The Couch plot spoilers it is therefore recommended that these novels are read in order No Time Like The Present is season two in the Hiding Behind The Couch series The story follows chronologically from Hiding Behind The Couch Season One and continues in The Harder They Fall Season Three In The Stars Part II: Cancer-Sagittarius Debbie McGowan,2014-06-01 You must learn to look beyond the evidence It shows only what you wish to believe is real not what you really wish to believe Doubt that the sun doth move Doubt truth to be a liar But never doubt I love Hamlet Shakespeare The Circle is in flux It's been a hectic six months and as the friends head into the heat of summer more trials await that will truly test the bonds of friendship For whilst a circle may contract and may even at times constrict it can also expand accommodate embrace And it is always whole Eternal Set over a period of six months July December In The Stars Part II continues to explore the day to day lives of The Circle nine friends from high school now in their late thirties following them through a year of celebration loss illness and life changing decisions In The Stars Part II is Season Five in the Hiding Behind The Couch Series This book is also available as six separate episodes The story follows chronologically from In The Stars Part I Season Four and Breaking Waves Novella It continues in A Midnight Clear Novella Red Hot Christmas Novella and Two By Two Season Six For those readers unfamiliar with the series In The Stars Part I re-introduces the main characters so you could pick it up from there and perhaps catch up with the previous books later WARNING this story contains intimate moderately explicit scenes between consenting opposite sex F M adults What readers say about the Hiding Behind The Couch Series The remarkable characterisation in these novels is what makes them for me This story reminds me of my favorite movies about friendship and relationships Few authors have explored the depths of longtime friends within a group or circle the way Debbie McGowan has The way the author deals with the complexities and issues in these books is delicate and compassionate but with a matter of fact grit that smacks of reality **Of The Bauble** Debbie McGowan,2016-12-15 When nineteen year old Kieran O Sullivan takes a trip to the attic for the Christmas decorations it

proves to be an illuminating experience Box includes a hapless but not altogether helpless student a pedantic supernatural being or two or well quite a few a funky older sister the coolest mum in the world a naughty rescue bunny and her easily led feline sidekick an insightful ex girlfriend twinkle lights tinsel baubles Warning may contain traces of magic and a smidgeon of social commentary hey it s a book by Debbie McGowan did you expect anything else Of the Bauble is a young adult biromantic non binary fantasy romance
