Peace,2008-09-04 If you thought fiction couldn t get darker than David Peace s extraordinary debut Nineteen Seventy Four then think again Nineteen Seventy Seven the second instalment of the Red Riding Quartet is one long nightmare Its heroes the half decent copper Bob Fraser and the burnt out hack Jack Whitehead would be considered villains in most people s books Fraser and Whitehead have one thing in common though they re both desperate men dangerously in love with Chapeltown prostitutes And as the summer moves remorselessly towards the bonfires of Jubilee Night the killings accelerate and it seems as if Fraser and Whitehead are the only men who suspect or care that there may be more than one killer at large Out of the horror of true crime David Peace has fashioned a work of terrible beauty Like James Ellroy before him David Peace tells us the true and fearsome secret history of our times **Nineteen Seventy-four** David Peace,2010-03-16 The

first installment of David Peace s electrifying Red Riding Quartet vividly brings to life a gritty dangerous working class city tormented by a series of brutal murders Nineteen Seventy Four follows Eddie Dunford the newly minted crime correspondent for the Yorkshire Post His first story is about Clare Kemplay a young girl recently found brutally murdered While the police department and other crime reporters at the newspaper believe it s an isolated incident Eddie finds a pattern between Clare s disappearance and those of other girls from a few years earlier Despite his better judgment and against the advice of others he starts to dig deep What he finds is a nightmare of corruption violence blackmail and obsession that ultimately leads to a shocking explosive conclusion Red Riding Nineteen Eighty Three David Peace,2010-10-01 Nineteen Eighty Three s three

intertwining storylines see the Quartet's central themes of corruption and the perversion of justice come to a head as BJ the rent boy from *Nineteen Seventy Four* the lawyer Big John Piggott who's as near as you get to a hero in Peace's world and Maurice Jobson the senior cop whose career of corruption and brutality has set all this in motion find themselves on a collision course that can only end in a terrible vengeance *Nineteen Eighty Three* is an epic tale which concluded an extraordinary body of work confirming Peace as the most innovative and remarkable new British crime writer to have emerged for years

Nineteen Seventy-seven David Peace, 2010-03-16 David Peace's acclaimed Red Riding Quartet continues with this exhilarating follow up to *Nineteen Seventy Four* It's summer in Leeds and the city is anxiously awaiting the Jubilee of Queen Elizabeth's reign Detective Bob Fraser and Jack Whitehead a reporter at the Post however have other things on their minds mainly the fact that someone is murdering prostitutes The killer is quickly dubbed the Yorkshire Ripper and each man on their own works tirelessly to catch him But their investigations turn grisly as they each engage in affairs with the prostitutes they are supposedly protecting As the summer progresses the killings accelerate and it seems as if Fraser and Whitehead are the only men who suspect or care that there may be more than one killer at large *Red Riding Nineteen Eighty* David Peace, 2010-10-01 Red Riding *Nineteen Eighty* is set against an evolving backdrop of power corruption and lies The nightmare continues during the winter of 1980 when the Ripper murders his thirteenth victim and the whole of Yorkshire is terrorised Assistant Chief Constable Hunter struggles to solve the hellish crimes and bring an end to the horror but is drawn ever deeper into a world of bent coppers and sleaze After his house is burned down his wife is threatened and his colleagues turn against him Hunter's quest becomes personal as he has nothing left to lose *Nineteen Eighty* is a compelling battle between two desperate men each determined to destroy the other This third volume of the Red Riding Quartet displays Peace's unique voice which places him as one of the UK's finest crime writers

Nineteen Eighty David Peace, 2010-03-16 Continuing the narrative begun with *Nineteen Seventy Four* and *Nineteen Seventy Seven* this electrifying third installment of David Peace's Red Riding Quartet demonstrates a skill that goes above and beyond the limits of the genre While Yorkshire is terrorized by the Ripper the corrupt police continue to prosper To give the case some new life Peter Hunter a clean cop from nearby Manchester is brought in to offer a fresh perspective As he goes about setting up a new case under the radar he suffers the same fate as those who previously attempted to get in the way of the Ripper his house is burned down his wife threatened But he soldiers on And as he comes face to face with unthinkable evil Hunter struggles to maintain his reputation his sanity and his life

Contemporary Masculinities in Fiction, Film and Television Brian Baker, 2016-07-28 While masculinity has been an increasingly visible field of study within several disciplines

sociology literary studies cultural studies film and tv over the last two decades it is surprising that analysis of contemporary representations of the first part of the century has yet to emerge Professor Brian Baker evolving from his previous work *Masculinities in Fiction and Film Representing Men in Popular Genres 1945-2000* intervenes to rectify the scholarship in the field to produce a wide ranging readable text that deals with films and other texts produced since the year 2000 Focusing on representations of masculinity in cinema popular fiction and television from the period 2000-2010 he argues that dominant forms of masculinity in Britain and the United States have become increasingly informed by anxiety trauma and loss and this has resulted in both narratives that reflect that trauma and others which attempt to return to a more complete and heroic form of masculinity While focusing on a range of popular genres such as Bond films war movies science fiction and the Gothic the work places close analyses of individual films and texts in their cultural and historical contexts arguing for the importance of these popular fictions in diagnosing how contemporary Britain and the United States understand themselves and their changing role in the world through the representation of men fully recognising the issues of race ethnicity class sexuality and age Baker draws upon current work in mobility studies and in the study of masculinities to produce the first book length comparative study of masculinity in popular culture of the first decade of the twenty first century Patient X David Peace, 2019-08-20 In these twelve interconnected tales David Peace acclaimed author of the Red Riding Quartet *Occupied City* and *Tokyo Year Zero* weaves fact and fiction as he takes up the brief but fiercely lived life of the early twentieth century Japanese writer Ryunosuke Akutagawa Unique and offbeat *Patient X* delves into Akutagawa's rich and complicated private life his fears and battles with mental illness his complex reaction to the Westernization of Japan his exacting creative process and his suicide weaving these facets into a hauntingly evocative portrait But *Patient X* is more than a paean to one remarkable writer it is also an incandescent exploration of the act and obsession of writing itself and of the role of the artist in times that darkly mirror our own

Violence and Dystopia Daniel Cojocaru, 2015-09-18 *Violence and Dystopia* is a critical examination of imitative desire scapegoating and sacrifice in selected contemporary Western dystopian narratives through the lens of René Girard's mimetic theory The first chapter offers an overview of the history of Western utopia dystopia with a special emphasis on the problem of conflictive mimesis and scapegoating violence and a critical introduction to Girard's theory The second chapter is devoted to J.G. Ballard's seminal novel *Crash* 1973 Chuck Palahniuk's *Fight Club* 1996 and *Rant* 2007 and Brad Anderson's film *The Machinist* 2004 It is argued that the car crash functions as a metaphor for conflictive mimetic desire and leads to a quasi sacrificial crisis as defined by Girard for archaic religion The third chapter focuses on the psychogeographical writings of Iain Sinclair and Peter Ackroyd Walking the streets of London the pedestrian represents the excluded underside of the world of Ballardian speed The walking subject is portrayed in terms of the expelled victim of Girardian theory The fourth chapter considers violent crowds as portrayed by Ballard's late fiction the writings of Stewart Home and David Peace's *GB84* 2004 In accordance with Girard's hypothesis the discussed narratives

reveal the failure of scapegoat expulsion to restore peace to the potentially self destructive violent crowds The fifth chapter examines the post apocalyptic environments resulting from failed scapegoat expulsion and mimetic conflict out of control as portrayed in Sinclair s *Radon Daughters* 1994 Margaret Atwood s *The Handmaid s Tale* 1985 and Oryx and Crake 2003 and Will Self s *The Book of Dave* 2006 *Channeling Wonder* Pauline Greenhill,Jill Terry Rudy,2014-10-06 Scholars of cultural studies fairy tale studies folklore and television studies will enjoy this first of its kind volume

Sport, Media and Regional Identity Simon Roberts,2015-11-25 The increasing potency of identity politics across Europe often sees sport acting as a vehicle for the promotion and celebration of regional and sub national identities However while the relationship between sport the media and national identity has featured in numerous academic and political debates in recent years the links between sports media and regional identity have received little attention This seems a curious oversight because the links between sport and region frequently become a celebration of the local and the distinctive emblematic of community and continuity This volume will explore that sense of the counter hegemonic where sport is celebrated by a media often keen to promote notions of difference which might verge on rebellion in some contexts conceived as resisting global homogeneity or national hegemony At other times they may merely reflect a commercial nose for the local audience s tastes but there is always the sense of preserving something important a celebration of the diversity that makes us human This book considers the centrality and cultural significance of particular sports or clubs to regional and sub national identities across Europe and beyond adopting a comparative approach to the mediatized nature of such portrayals *Books to Die For* John
