Four Generations Cookbook Beverley A. Benjamin, 2017-01-09 As our six children moved out I would often receive a phone call asking Mom how did you make this What was the secret ingredient As a child I would watch my Mother cook and preserve fruit can and freeze vegetables bake and have family get together's to make Perogys I enjoyed cooking when I first took it in Junior High School and started to collect recipes I did a lot of family history and over the years I also was given many recipes from the family members plus saved many from other resources My Stepfather taught me the cooking of wild game to make it tender When I got married we had our own garden plus raised cattle chickens turkeys pigs rabbits and even tried ostriches We did our own butchering and I learned from my husband's boss how to do make headcheese from the pigs I made cottage cheese and butter from our milk cow I made sourdough from scratch also From our garden we froze a lot of the crop for the winter The fruit we grew got made into jams and jellies as well as the wild fruit that we picked Often we would go picking berries as a family outing or while Roy and I were haying the children would pick wild berries near the fields We would have a treat of fruit at the end of the day and the excess got made into preserves or into

juice My one challenge was making bread even with a bread machine It never turned out Roy took over that challenge and got a recipe figured out that even now I cannot fail making bread The Grandchildren loved helping him make buns When Roy passed away I tried the recipe and when the Grandchildren tried the bread their remark was It taste s just like Grandpa s bread My recipes were in several boxes and I knew where the ones were that I used the most When I started entering my collection into a computer Roy suggested I should make a cookbook because I had a collection of over a century of recipes I have done that now and the collection has recipes from early 1900 s with the old way of the size of the ingredients like amount of butter the size of an egg up to modern amounts I also have enclosed tips that were given to me over the years plus a few old poems that have a special meaning to me *Filipinx* Angela Dimayuga,Ligaya Mishan,2021-11-02 In her debut cookbook acclaimed chef Angela Dimayuga shares her passion for Filipino food with home cooks *Filipinx* offers 100 deeply personal recipes many of them dishes that define home for Angela Dimayuga and the more than four million people of Filipino descent in the United States The book tells the story of how Dimayuga grew up in an immigrant family in northern California trained in restaurant kitchens in New York City learning to make everything from bistro fare to Asian American cuisine then returned to her roots discovering in her family s home cooking the same intense attention to detail and technique she d found in fine dining In this book Dimayuga puts a fresh spin on classics adobo perhaps the Filipino dish best known outside the Philippines is traditionally built on a trinity of soy sauce vinegar and garlic all pantry staples but add coconut milk vinegar and oil and it turns lush and silky ribeye steaks bring extra richness to bistek gilded with butter and a bright splash of lemon and orange juice These are the punches of flavor and inspired recipes that home cooks have been longing for A modern welcoming resource for this essential cuisine *Filipinx* shares exciting and approachable recipes everyone will wholeheartedly embrace in their own kitchens *The Swedish, French, American Cook Book* Mrs. Maria Mathilda (Ericsson) Hammond,1918 *Cookbook from Transylvania and other places of the world (Carte de bucate ardelenesti si nu numa')* Gelu Radu,Corina Radu, This is the first ever book written in Transylvanian dialect and English Husband and wife Gelu and Corina Radu were born in the heart of Transylvania where they also learnt to cook While Gelu is a professional chef Corina is an economist However that doesn t mean she s less skilled at cooking They have a friendly rivalry going trying to outdo the other by cooking healthy and tasty dishes The ones who mostly benefited from this are their two children tefan and Gabriel This is not an ordinary cookbook It doesn t contain extremely complicated recipes Rather it focuses on dishes anyone should be able to cook It contains traditional recipes from all over the world not just Transylvania Each recipe includes step by step illustrations guiding you from start to finish *The L.L. With electrification, the need for lard-based candles decreased and the new product needed a new market. With a wealth of cottonseed oil at their disposal, the answer was Crisco.
