These recipes tell the story of how Cook's Illustrated has changed American home cooking through its signature blend of rigorous testing, culinary research, science and unorthodox approaches to developing foolproof recipes. Rarely republished since they first appeared, these feature-length stories celebrate the art of food writing and the extensive work that goes into every recipe. In addition to the recipes, essays and helpful sidebars, this book also features the trademark black and white illustrations that have become synonymous with Cook's Illustrated, creative use of the beloved front and back cover art, and a new addition: gorgeous full-color photographs of each dish. Featured recipes include Perfect corn on the cob that never gets boiled, ultracreamy tomato soup that's completely dairy-free, the fastest roast chicken recipe, oven-grilled London broil, and ingenious low-key approaches to traditionally high-fuss recipes such as risotto, French fries, pie crust, and many more.
