[The Ramblings of an Old Man](#) Chef Cal Kraft, 2014-09-29 Do you long for a time when life was simpler? When everyone knew your name? Do you reminisce about family traditions growing up in the 50s and 60s? Do you remember your teen years and that first kiss? Does your mouth start to water and your heart start to swell as you think back to family holiday meals presided over by mom or grandma? Well, then you can now take that trip down memory lane and re-create those luscious foods in the pages of *The Ramblings of an Old Man* by well-known personal chef and culinary instructor Chef Cal Kraft and his constant feline companion Miss Kitty. It all began in 2006. The author realized that he had spent over half his life living in the suburban community of Danbury Forest, a quaint neighborhood where families escaping the hustle and bustle of Metropolitan DC played together and supported each other in times good and bad. So he wrote a story about that and sent it in to the neighborhood paper. Chef Cal initiated what became his hugely popular monthly column *The Chef's Corner* for the community newsletter. In it, he shared tales about his family and his life growing up in the suburbs of New York. He also wrote about events within the community along with tales of past traditions in his life and others. Several of his articles ventured into the world of fiction as he imagined stories that might have occurred. Each contribution was accompanied by a tasty recipe, often tying the articles and recipes together. A long-time popular culinary instructor in Northern Virginia's Adult Community Education Program, Chef Cal is well-equipped with recipes that he knew his students and now his readers would rush to make themselves. *Ramblings* contributions of over fifty recipes include traditional Italian delicacies, tasty old-fashioned comfort dishes, soups and casseroles, quick and easy desserts, and special holiday treats. Also included is Chef Cal's interpretation of miniature apple pies. Without a doubt, his book will be pulled out to create his meals whenever family and friends are gathered. Several times as Chef Cal was writing his stories, he found that Miss Kitty the

gorgeous white cat that lived with the author and his wife during most of this time had something to say So he wrote about that too In some instances he even let Miss Kitty write her own story While the Ramblings of an Old Man is dedicated to the residents both past and current of that wonderful community known as Danbury Forest it also resonates with communities all across America No matter where you live be it a small hamlet a rural town a village or in a big city these stories are for you Some are humorous others sad Some true some imagined They all however tell a story and offer an opportunity to re create the foods that accompanied it So sit back and enjoy The Ramblings of an Old Man *The Everything Easy French Cookbook* Cecile Delarue,2015-01-09 French cuisine is one of the most versatile in the world but who has the time for complicated time consuming recipes Delarue shows you how to recreate classic and contemporary French dishes right at home and provides tips and time saving techniques for hundreds of satisfying meals snacks and desserts *A Philosophy of Recipes* Andrea Borghini,Patrik Engisch,2021-12-16 This volume addresses the nature and identity of recipes from a cross disciplinary perspective Contributors study the values and norms guiding the naming production and consumption of recipes scrutinizing their relationship to territory makers eaters and places of production Along the road they uncover the multifaceted conceptual and value laden questions that a study of recipes raises regarding cultural appropriation and the interplay between aesthetics and ethics in recipe making With contributors specializing in philosophy law anthropology sociology history and other disciplines this volume will be of vital importance for those looking to understand the complex nature of food and the way recipes have shaped culinary cultures throughout history *The Complete South African Cookbook* Magdaleen van Wyk,2018-08-01 Simply written and presented The Complete South African Cookbook is a compact yet comprehensive guide to cooking in South Africa Indispensable for the beginner it caters for the more experienced cook too and offers over 650 numbered recipes along with many variations from the most basic to the exotic all compiled for South African conditions The directions for each dish are presented in a clear format and each recipe is accompanied by such useful facts as the number of portions preparation and cooking time kilojoule count per portion and whether or not the dish is suitable for freezing Crammed with handy hints The Complete South African Cookbook is an invaluable reference for anyone who enjoys cooking Now with a new cover this classic best seller has been in print for almost 40 years **Barefoot** **Contessa Back to Basics** Ina Garten,2012-10-30 1 NEW YORK TIMES BESTSELLER The essential Ina Garten cookbook focusing on the techniques behind her elegant food and easy entertaining style and offering nearly a hundred brand new recipes that will become trusted favorites Ina Garten s bestselling cookbooks have consistently provided accessible subtly sophisticated recipes ranging from French classics made easy to delicious simple home cooking In Barefoot Contessa Back to Basics Ina truly breaks down her ideas on flavor examining the ingredients and techniques that are the foundation of her easy refined style Here Ina covers the essentials from ten ways to boost the flavors of your ingredients to ten things not to serve at a party as well as professional tips that make successful baking cooking and entertaining a breeze The recipes crowd
