Popular Mechanics ,1977-12 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle *Civil War Recipes* Lily May Spaulding,John Spaulding,2014-04-23 Godey's Lady's Book perhaps the most popular magazine for women in nineteenth century America had a national circulation of 150 000 during the 1860s The recipes spelled receipts it published were often

submitted by women from both the North and the South and they reveal the wide variety of regional cooking that characterized American culture. There is a remarkable diversity in the recipes thanks to the largely rural readership of Godey's Lady's Book and to the immigrant influence on the country in the 1860s. Fish and game were readily available in rural America and the number of seafood recipes testifies to the abundance of the coastal waters and rivers. The country cook was a frugal cook particularly during wartime so there are a great many recipes for leftovers and seasonal produce. In addition to a wide sampling of recipes that can be used today, Civil War Recipes includes information on Union and Confederate army rations, cooking on both homefronts and substitutions used during the war by southern cooks. *Southern Living Annual Recipes 2012* Editors of Southern Living Magazine, 2012-12-03.
