Reclaiming Your Heart Denise Hildreth Jones, 2013-02-18 Have you ever wondered where the abundant life Scripture promises is and how you seem to have missed it Do you ever catch yourself saying Those were the best years of my life A failed relationship a health crisis a job loss the death of a loved one all can cause us to hide out go numb give up Before we even know it we re simply coping with life instead of living it to the fullest It happens to most of us at one point or another For author and Bible study teacher Denise Hildreth Jones it happened in the wake of her devastating divorce But she fought desperately to reclaim her God designed heart and now in her transparent authentic style Denise challenges you to do the same Sharing stories from her own journey and others she s walked alongside Denise will help you identify ways you ve given your heart to lesser gods like performance people pleasing and control and how to find your way back to God s design for your life to laughing loving and living life to the fullest **Reclaiming My Hope** Dr. Ethel Madison Van Buren, 2023-02-25 I wrote this book through my own voice about my life experiences during the Jim Crow era when the concept of separate but equal permeated the entire Southland of our nation and the impact it made on my heart mind and soul In this memoir I give my description of how the ugly truths about segregation and discrimination during the early 50s and late 60s until the present day impacted my life I describe how the unforgettable day that shamed the nation unfolded before my very eyes and I include my accounts of unforgettable events leading up to that day and the aftermath The remainder of the book gives my personal reflections about hope for justice peace healing and reconciliation My words on the pages within are honest and straightforward I utilized the wisdom and the knowledge that I learned during my journey through life to convey my true feelings Being able to tell my story has helped me to move peacefully beyond the painful memories of the darkness of the past into the light of change I have learned how to fuel my thoughts with positive possibilities because divine order prevails in my mind and my life And I do believe that God is the source of all prosperity and I give thanks in advance knowing that my highest good is unfolding now I have moved beyond the mindset of powerlessness to seeing life through forgiving eyes Yet the memories of the ugly events of the past I will never forget Because on an underlying level racism still pledges our society
