Dear Admissions Team,

I am Sriram Panicker - Branch Manager - STB Chemicals, Chennai and would like to recommend one of the employees of the firm - Mr Rajeev Singh for a place on the MEng Chemical Engineering course offered by the University of Birmingham.

Rajeev completed his B. Tech Chemical Engineering from Sriram College with a first class score - 76% and then joined STB Chemicals in 2007 as a trainee-chemist. He completed the training successfully and since then has become chemical production- supervisor. He is honest and hard-working and now aspires to complete a postgraduate course in chemical engineering to boost his career prospects.

I have worked closely with Rajeev and he was instrumental in helping our company exceed our turnover targets for the past two years in a row. He has excellent communication skills and is a proven team-leader motivating his colleagues to excel. It is his dream to complete a MEng course from the UK and the University of Birmingham has been his first choice.
