Unification Faith Parenting: 13 Best Practices Michael H. Kiely, Jennifer P. Tanabe, 2019-12-07 Six Unification families share their experiences and strategies raising second generation children who have ultimately made their family's faith their own as young adults. Their testimonies about what did not work as well as what worked are fascinating, funny, heartbreaking, and very enlightening. Of course the best part is that they adjusted what they did to something that can be called a Best Practice. Through their words, this book covers what not to do as well as what to do in faith parenting your kids. **The Practitioner Guide to Skills Training for Struggling Kids** Michael L. Bloomquist, 2012-10-25 Addressing frequently encountered emotional, behavioral, and academic difficulties, this essential guide shows how to help parents implement proven skills building strategies with their kids ages 5-17. The author draws on over 25 years of research and clinical practice to provide a flexible program for individual families or parent groups. The focus is on teaching kids the skills they need to get their development back on track and teaching parents to cope with and manage challenging behavior. Featuring vignettes and troubleshooting tips, the Practitioner Guide is packed with ideas for engaging clients and tailoring the interventions. In a large size format for easy photocopying, it contains more than 60 reproducible handouts and forms. The related book *Skills Training for Struggling Kids* an invaluable client recommendation guides parents to implement the strategies and includes all of the handouts and forms they need. Note: The original *Skills Training for Children with Behavior Problems* was designed for practitioners and parents to use together. It has now been split into two volumes that serve each audience better with tailored information, more detailed instructions, and resources. *Generation NeXt Marriage* Tricia Goyer, 2010-08-18 Do you still find yourself humming the love songs of the 80s and 90s? Do you still believe that every marriage should be between soul mates? But do you wonder how you can succeed at love and marriage when the generation you grew up in didn't? Marriage isn't what it used to be; it can be better than ever. If you are a Gen Xer, your marriage has challenges and potentials that no other generation has known. A Gen Xer herself, Tricia Goyer offers realistic help to achieve the God-honoring marriage you long for. She includes ways to protect your marriage despite the broken relationships modeled in your youth, stories, suggestions, and confessions from fellow Gen Xers facing the same question of real life marriage. Advice from the ultimate marriage survival guide, the Bible, stats, quizzes, sidebars, and study questions related to this relationally challenged time in history. Practical helps for negotiating kids, work, sex, money, and dirty laundry, sometimes all in the same evening. If you are part of a generation of adults who don't want to bow to their culture or live and love like their parents did, this book is for you.

Serving Teen Parents Ellin Klor, Sarah Nordhausen, 2011-09-12 A comprehensive guide to working with teen parents and their children that provides practical program ideas for successful school and public library program development, implementation, and evaluation. Developmental-Behavioral Pediatrics William B. Carey, Allen C. Crocker, Ellen Roy Elias, William P. Coleman, 2009-04-28 The fourth edition of Developmental Behavioral Pediatrics, the pioneering original text, emphasizes children's assets and liabilities, not just categorical labels. It includes fresh perspectives from new editors, Drs. William Coleman, Ellen Elias, and Heidi Feldman, as well as further contributions from two of the original editors, William B. Carey, M.D., and Allen C. Crocker, M.D. This comprehensive resource offers information and guidance on normal development and behavior, genetic influences, the effect of general physical illness, and psychosocial and biologic factors on development and behavior. It is also sufficiently scholarly and scientific to serve as a definitive reference for researchers, teachers, and consultants. With a more user-friendly design and online access through Expert Consult functionality, this resource offers easy access to comprehensive guidance. Features new chapters dealing with genetic influences on development and behavior, crisis management, coping strategies, self-esteem, self-control, and inborn errors of metabolism, to cover the considerable advances and latest developments in the field. Focuses on the clinical aspects of function and dysfunction rather than arranging subjects according to categorical labels. Emphasizes children's assets as well as their liability, so you get a well-developed approach to therapeutic management. Concludes each chapter with a summary of the principle points covered, with tables, pictures, and diagrams to clarify and enhance the presentation. Offers a highly practical focus, emphasizing evaluation, counseling, medical treatment, and follow-up. Features superb photos and figures that illustrate a wide variety of concepts. Offers access to the full text online through Expert Consult functionality at www.expertconsult.com for convenient reference from any practice location. Features new chapters dealing with Genetic Influences on Development and Behavior, Crisis Management, Coping Strategies, Self-Esteem, Self-Control, and Inborn Errors of Metabolism. Presents a new two-color design and artwork for a more visually appealing and accessible layout. Provides the latest drug information in the updated and revised chapters on psychopharmacology. Introduces Drs. William Coleman, Ellen Elias, and Heidi Feldman to the editorial team to provide current and topical guidance and enrich the range of expertise and clinical experience. Covers the considerable advances and latest developments in this subspecialty through updates and revisions to existing material. Your
