Deconstructing Management Maxims, Volume I Kevin Wayne,2017-02-08 A contrarian challenge to the status quo this book vigorously champions healthy skepticism in

management theory and practice Several common management maxims often taken for granted as truisms are examined and debunked with evidence based arguments The constant repetition of these flawed tropes perpetuates their mythological status and limits personal and organizational performance Far from a business as usual business book Deconstructing Management Maxims has been researched with academic rigor yet written in an approachable style Unafraid of taking on conventional business wisdom it contains some controversial yet substantiated positions that will provoke critical thinking and debate After all sacred cows and long believed tenets of management lore do not go away quietly A clear message from this book is that you don't have to believe everything you read or hear be it in the classroom or at work It offers a refreshing break from the constant drumbeat of dronish corporate and academic clichés This book is best appreciated by readers wanting to think critically about important management phenomena *There Must Be a Witness* Sue Bell Cobb, Nick

Cenegy, 2018-05-01 True child advocates are not born they are forged out of frustration and faith *There Must Be A Witness* profiles a group of child advocates in Alabama who have devoted themselves to help children thrive and by extension to better meet the needs of their communities This collection of stories narrated by Sue Bell Cobb the state's first female Chief Justice and a former juvenile court judge draws back the curtain on what drives such advocates In the case of Liz Huntley a prominent Birmingham lawyer and Roberta Crenshaw a former prison lay counselor advocacy grew out of enduring the most horrific abuse For Jannah Bailey the director of Child Protect her calling has always been to stand between children and violence Cobb's own life of advocacy stems from what she saw in courtrooms across Alabama As a jurist she was bound to serve the law but as an advocate she championed some of the state's most sweeping child policy reforms in recent decades including a toe to toe fight with backslapping tobacco company lobbyists Along the way she was humbled by the inspiring group of child advocates she met digging firebreaks against poverty child abuse and neglect inadequate medical care and shortcomings in education Collectively the stories included in this volume call us to stand witness and testify to policymakers on behalf of children to insist that government be used as a force for good in people's lives **The Larder** John T.
