

Key Requirements from Recovery Act:

- Define, identify “unserved” and “underserved” areas;
- Develop a mechanism for evaluating the appropriate levels of subsidy payments needed to provide service in such areas;
- The system must be broad and flexible enough to respond to applications from States and other government entities, non-profits, and to support at least one grant in each of 50 states;
- Demonstrate for each grant “that the project would not have been implemented during the grant period without Federal grant assistance.” (Section 6001(e)(3))
