Instructions: Type in the answer line, after the prompt appears, go to the link: "Recycle City" - it's the green right arrow. You'll move from question to the next. Recycle City is divided into 4 quadrants: residential, commercial, industrial and landfills. All the parts of the city are illustrated. You'll need to recycle from city to complete the quest.

1. Name some of the ways of waste management discussed. Instead of throwing waste away:

Composting of food waste; reuse; repair and sell items.

Recycle with partners in other small groups.

Green job: worker in garden.

Photograph: recycling materials.

2. What is Recycling City, where you manage everything collected to the city with before sending to landfill. Why is important that we use these alternatives before the regular land?

In the Waste City's landfill, waste ends up being sent before being used to create electricity and materials. They can also be used to create other products or materials if they are not used to create other products.

3. What waste items in Recycle City. Name a list of 4. Recycle City's waste, that can be used in other ways.
