growing from long troughs of liquid mud to proper thoroughfares A river amber tinted in the shadow of its banks purred at the army's feet and at night when the stream had become of a sorrowful blackness one could see across it the red eyelike gleam of hostile camp fires set in the low brows of distant hills Once a certain tall soldier developed virtues and went resolutely to wash a shirt He came flying back from a brook waving his garment bannerlike He was swelled with a tale he had heard from a reliable friend who had heard it from a truthful cavalryman who had heard it from his trustworthy brother one of the orderlies at division headquarters He adopted the important air of a herald in red and gold We're going to move to morrah sure he said pompously to a group in the company street We're going way up the river cut across and come around in behind em To his attentive audience he drew a loud and elaborate plan of a very brilliant campaign When he had finished the blue clothed men scattered into small arguing groups between the rows of squat brown huts A negro teamster who had been dancing upon a cracker box with the hilarious encouragement of two-score soldiers was deserted He sat mournfully down Smoke drifted lazily from a multitude of quaint chimneys
